

School Entry Health Checkup Requirement

Early and regular **health checkups** can find, prevent, and treat many health problems before they become serious. That is why California has a **law** that says all children **must** have a health checkup within **18 months before first grade or up to 90 days after starting first grade**. Your child must also have certain immunizations, or shots, for school. Your doctor will be able to check your child's immunization record and see what shots are needed during the health checkup. Your doctor will complete this form and you need to return to your child's school.

If you are not able to pay for this checkup, please call Maternal Child and Family Health services to find out if your child is eligible for a health checkup at no cost and for ongoing medical and dental insurance.

Requisitos para Exámenes de Salud para Ingresar a la Escuela

Al recibir **exámenes de salud** regularmente se pueden prevenir, detectar, y tratar muchos problemas de salud antes de que sean serios. Por esta razón California tiene una ley que requiere que todos los niños deben recibir un examen de salud **18 meses antes de ingresar al primer año o hasta 90 días después de haber iniciado el primer año**. Su niño debe tener ciertas vacunas para ingresar a la escuela. Su medico podrá revisar la tarjeta amarilla de vacunación y ver que vacunas necesita durante el examen de salud. Su medico llenará esta forma y usted deberá entregarla a la escuela de su niño. **Si su niño recibió el examen de salud** al ingresar al jardín de niños (kindergarten) y la escuela todavía no tiene el reporte del examen, usted necesita pedirselo a su medico o clínica y llevarlo a la escuela.

Si a Ud. no le es posible pagar el examen, por favor llame a los Servicios de Salud Maternal, Niño, y Familia para saber si su niño califica para un examen físico gratuito y también para un seguro de cuidado continuo medico y dental al:
