Charges are only for those items that you selected or that are required. If we are required by law or by a cemetery or crematory to use any items, we will explain the reason in writing below. If you selected a funeral that may require embalming, such as a funeral with viewing, you may have to pay for embalming. You do not have to pay for embalming if you did not approve selected arrangements, such as direct cremation or immediate burial. If we charged for embalming, we will explain why below.
