## Customer declaration

I hereby confirm that the instrument has been cleaned before shipping and that all sample residues have been removed. I confirm that the information entered above is complete and correct.

**For the customer:**

\_\_\_\_\_  
(Signature)

\_\_\_\_\_  
(Name in block letters)

\_\_\_\_\_  
(Date)

**Note:** Attach the fully completed form and all relevant MSDS for each equipment / instrument sent back for repair. If no "Safety Declaration for Repairs" was attached to an equipment / instrument, Anton Paar will fax / e-mail you the form to complete within 2 weeks of arrival of the goods. If Anton Paar does not receive the data within this time, the goods will be returned at the customer's expense.
