ROOMMATE RELEASE FORM CLARIFIES RESPONSIBILITY FOR LOSS OR DAMAGE

CLARIFIES RESPONSIBILITY FOR LOSS OR DAMAC

Instructions

Residents must leave their rooms neat, clean and properly assembled when they move out. Charges for cleaning, damage, missing items, removal of trash or abandoned property are automatically split between roommates and/or suitemates. To claim or disclaim responsibility for potential charges that would otherwise be shared, submit this completed form when you check out; responsibility must be supported by your roommates and/or suitemates. You may contact custodial staff to compare the Room Inventory Form on file with the current condition of the room and/or suite. Roommate Release Forms with contradictions may result in split charges.
