

RESOURCE MANAGEMENT THEORY & PRACTICE [2005]

Publication of this new annual journal *Resource Management Theory & Practice* in addition to the RMLA's existing stable of publications represents a significant milestone in the development of the Association. The aim of the new journal is to provide a vehicle for in-depth analysis of resource management issues relevant to the New Zealand scene. This edition of the journal reflects the significant events of 2005 – conclusion of the review of the Resource Management Act 1991 ("RMA") with enactment of the Resource Management Amendment Act 2005 and the first decision of the Supreme Court of New Zealand on provisions of the RMA.
