WHAT IS SANTA'S WORKSHOP?

Santa's Workshop is a private non-profit organization that is operated solely by volunteers. Our mission is to provide toys for military families who are in financial need during the holiday season. Last year we helped over 1600 families and 3,500 children have a very happy holiday. What sets our organization apart from many others is the family's ability to come in and shop our shelves for toys that they think their children may like. Families are able to pick out two brand-new toys and one book for each child. In addition to the toys, each family can also choose one game to promote family time.

WHO IS ELIGIBLE?

Applicants must be active-duty military, to include active Guard and Reserves; retired military; or DA civilian families with dependent children between the ages of six months and 12 years by December 25, 2012.

HOW DO FAMILIES APPLY?

Families apply to SWS through the unit Command Financial Specialist (CFS). Each CFS should coordinate with his/her commander, First Sergeant, the unit's Chaplain, and Family Readiness Group (FRG) leadership as applicable to ensure that all eligible families are identified and assisted with the application process. Application forms are available at **www.swsfh.com**. All applications must be signed by the unit CFS and one of the following: Company Commander, First Sergeant, Chaplain, or Rear Detachment Commander. There is no limit to the number of applications that may be submitted per unit.

WHAT ARE THE GUIDELINES?

Because our priority is the children, we do not set specific income requirements. Our program is designed for families in financial need *regardless of their income level*. Generally, the CFS will sit down with them and review their financial situation and determine their eligibility. Family members of deployed soldiers are encouraged to apply for the program through the unit's CFS.

WHEN IS THE APPLICATION DEADLINE?

The unit will have an internal deadline so that the CFS's can turn in their unit's applications to **Santa's Workshop** between Monday, 22 October 2012 and Friday, 26 October 2012. Applications will be accepted from 0900 thru 1200 on turn-in days. Applications may be accepted after the deadline on a case-by-case basis, at the discretion of the Applications Manager.

WHEN ARE THE SHOPPING APPOINTMENTS?

The shopping dates for 2012 will be 5 & 6 December, 10-14 December and 17 December, between the hours of 0900 and 1400, Monday through Friday. Specific Dates will be provided at Application Turn-In. All waitlisted families will be notified via their CFS after all other applications are processed. The CFS will notify families of their appointment times/dates. The family member attending the shopping appointment, whether the soldier or spouse, must show a military ID. Also, **NO CHILDREN** are allowed in **Santa's Workshop** during the shopping appointment. Anyone arriving with children will be asked to reschedule his/her appointment.

WHERE IS SANTA'S WORKSHOP LOCATED?

We are located in Building 50001, adjacent to the Clear Creek Commissary and share our facility with the Fort Hood Tax Center. We are not open all the time so please try to contact us via email: swsfhord@gmail.com

Point of Contact: Donna Howard, Applications Manager at: **(254)287-TOYS, (254) 216-9855, swsapps2012@gmail.com, swsfhord@gmail.com, or www.swsfh.com**

MILITARY AND FEDERALLY CONNECTED PARENTS!

Impact Aid Survey

REMINDER

*Remember to
complete and send
your Impact Aid
Survey to the
school.*

Do you know why Impact Aid funding is important for your child's school?

This funding is provided to school districts to offset the loss of property tax on federal property.

Who should turn in Impact Aid Surveys to the school?

Parents and guardians of Children of Military and Department of Defense (DA) Civilians need to turn in the surveys to their school.

Why is my survey important?

The amount of funds the school district receives is based on the number of Impact Aid Surveys returned.

Military and Federally connected parents, you can help make a difference at your school!

Parent Participation Program

- Parent participation is highly encouraged in all CYSS programs, as Families are an integral part of CYSS success and a key component in overall program quality
- The goal of the new, Army-wide CYSS Parent Participation Program is to ensure consistency across all CYSS by: cataloging meaningful participation opportunities, standardizing the point system based on participation opportunities, standardizing the points required for fee reductions and standardizing the process to apply fee reduction to monthly payments
- The established common criteria should ensure that Families understand that their participation is valued and needed, and truly contributes enhancing the sense of community

- Parents may earn a fee reduction for volunteering a minimum of 10 hours generally in their child's program or on behalf of CYSS
- Participation Points may be accumulated from month to month until the Parent earns 10 points, to receive a 10% reduction on one month's fee for one child
- If a parent has earned 20 points, then the 10% fee reduction may be applied for one child over a 2-month period or used for two separate children during the same month
- For more information, call 254-288-3139

Military Extension Internship Program

- Designed for college students and recent college graduates, this program provides a unique opportunity to gain practical work experience in child development plus school-age and youth programs
- Interns will live and work on military installations around the globe for 10 weeks to 6 months
- The range of experience is broad, including working directly with children and youth, implementing programs that address their needs, and learning to manage child and youth centers
- Check out all of the opportunities at www.ydae.purdue.edu/military
- The Department of Defense provides high-quality, accredited childcare and school-age/teen programs at all of their facilities
- Interns also have the support of the U.S. Cooperative Extension System and its 4-H Youth Development Program
- 4-H focuses on building better citizens and promotes understanding of social issues and how they can be addressed to strengthen communities
- Cooperative Extension features strong networks and connections in the communities where you'll work as well as faculty and staff with specific expertise in childcare and youth development
- The most qualified applicants will: have completed at least two years of college by the start of their internship, have a GPA of at least 2.75; have an educational background in child or youth development, education, Family science, or a related field; be able to pass a National Agency background (security) check, exhibit maturity, good judgment, and enjoy working with children, youth, and their Families
- Applications from undergraduates, graduate students, and recent graduates and students are welcome as well
- At a minimum, interns will receive an hourly wage or a living stipend
- Interns will also be treated to an orientation conference before the start of internships, which provides a great chance to meet other interns and begin to learn about military children, youth, and Families
- Although any tuition or fees required by your institution will be the intern's personal responsibility, alternative arrangements with the program and university may be available to ensure an applicant's experience qualifies for academic credit
- Applicants must be sure to provide the specific internship credit requirements for their program of choice
- Consider some of the options: Child and Youth Training Specialist, School Liaison Officer and Child and Youth Facilities Center Director
- Application and recommendation forms, as well as deadlines for upcoming sessions are available online at www.ydae.purdue.edu/military
- Direct further questions to Jessica Wandless, Military Extension Internship Program Coordinator at 765-496-7716 or jwandless@purdue.edu
