ADDENDUM #1**

RFQ No. S13-012

Addendum #: 1

Date: April 17, 2014

Please note the clarification and/or additional information for the solicitation referenced above.

- 1. Q: Will the City provide the installation of the meters?**
A: Yes. The City staff shall provide the installation. No respondent installation is required.
- 2. Q: How many Neptune AMR meters are currently deployed?**
A: The City estimates 1500 Neptune meters are deployed.
- 3. Q: Will the City consider AMI as an alternative proposal?**
A: At this time, the City prefers an AMR system, but an AMI alternative proposal will be reviewed and considered if clearly labeled as such.
- 4. Q: Will the City consider epoxy or cast iron on commercial meters?**
A: The City will consider it but may not deem it most advantageous.
- 5. Q: Are the quantities in the solicitation accurate?**
A: Please see Part I, #14.
- 6. Q: Will the City consider a system that operates on a licensed frequency?**
A: Yes if no additional costs to the City are incurred.
- 7. Q: What Fire Hydrant or Construction meter specifications can be provided?**
- 8. A:** The City seeks the respondent's best recommendation for these meters.
- 9. Q: Does the City seek Gallons-Per-Minute (gpm) reading?**
A: Yes.
