GLENDALE ELEMENTARY SCHOOL DISTRICT

ACTION AGENDA ITEM

AGENDA NO: 3.A. TOPIC: Resolution

SUBMITTED BY: Mr. Kevin Hegarty, Deputy Superintendent for Business Services

RECOMMENDED BY: Mr. Joe Quintana, Superintendent

DATE ASSIGNED FOR CONSIDERATION: September 27, 2012

RECOMMENDATION:

It is recommended that the Governing Board adopt a resolution authorizing the execution and delivery of the lease agreement with Kansas State Bank of Manhattan for the acquisition of copiers.

RATIONALE:

In June, 2007, the District's Copier Committee presented the Governing Board with a recommendation for a lease option to meet the District's copier needs, providing each school with two mid-sized copiers. This provided for more efficient use of teachers' time by reducing time spent waiting to use machines. It also allowed work to continue in the event that a copier was in need of repair. The total cost of the five-year lease contract was \$602,910, \$120,582 per year. This lease expired in April, 2012. To preserve budget capacity, administration proposes the new lease to be effective October 1st.

Administration is recommending a new four-year contract, with an annual cost of \$88,194, a savings of \$32,388 annually compared to the prior agreement. The new copiers will all have the ability to be networked to provide high-speed printing services at each site.

Baystone Financial Group is the financial institution for the lease of the new copiers. Due to the dollar amount of the four-year contract, Baystone requires that the Governing Board adopt a resolution authorizing the transaction. Baystone Financial Group is authorized through the Mohave Educational Services cooperative.

Section 3.01 Acquisition and Acceptance. Obligor shall be solely responsible for the ordering of the Equipment and for the delivery and installation of the Equipment. The Contract Payments shall be sent to the location specified by the Obligee or its assignees. The Contract Payments shall constitute a current expense of the Obligor and shall not constitute an indebtedness of the Obligor. The Contract Payments are due as set forth on Exhibit B. Obligee shall have the option to charge interest at the highest lawful rate on any Contract Payment received later than the due date for the number of days that the Contract Payment(s) were late, plus any additional accrual on the outstanding balance for the number of days that the Contract Payment(s) were late. Once all amounts due Obligee hereunder have been received, Obligee will release any and all of its rights, title and interest in the Equipment. Obligee shall

also have the option, on monthly payments only, to charge a late fee of up to 10% of the monthly Contract Payment that is past due. The Contract Payments will be payable without notice or demand. Furthermore, Obligor agrees to pay any additional fees/costs incurred by Obligees relating to Obligor's requirement that a certain payment mechanism be utilized.

SECTION 3.03 Contract Payments Unconditional. Except as provided under Section 4.01, THE OBLIGATIONS OF OBLIGOR TO MAKE CONTRACT PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS CONTAINED IN THIS CONTRACT SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF, OR SUBJECT TO DEFENSE OR COUNTERCLAIM.

Section 3.04 Purchase Option Price. Upon thirty (30) days written notice, Obligor shall have the option to pay, in addition to the Contract Payment, the corresponding Purchase Option Price which is listed on the same line on Exhibit B. This option is only available to the Obligor on the Contract Payment date and no partial prepayments are allowed. If Obligor chooses this option and pays the Purchase Option Price to Obligees then Obligees will transfer any and all of its rights, title and interest in the Equipment to Obligor.

Section 3.05 Contract Term. The Contract Term shall be the Original Term and all Renewal Terms until all the Contract Payments are paid as set forth on Exhibit B except as provided under Section 4.01 and Section 9.01 below. If, after the end of the budgeting process which occurs at the end of the Original Term or any Renewal Term, Obligor has not non-appropriated as provided for in this Contract then the Contract Term shall be extended into the next Renewal Term and the Obligor shall be obligated to make all the Contract Payments that come due during such Renewal Term.

Section 3.06 Disclaimer of Warranties. OBLIGEE MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR ANY OTHER WARRANTY WITH RESPECT TO THE EQUIPMENT. OBLIGEE SHALL NOT BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE ARISING OUT OF THE INSTALLATION, OPERATION, POSSESSION, STORAGE OR USE OF THE EQUIPMENT BY OBLIGOR.

IV. Non-Appropriation

Section 4.01 Non-Appropriation. If insufficient funds are available in Obligor's budget for the next Budget Year to make the Contract Payments for the next Renewal Term and the funds to make such Contract Payments are otherwise unavailable by any lawful means whatsoever, then Obligor may non-appropriate the funds to pay the Contract Payments for the next Renewal Term. Such non-appropriation shall be evidenced by the passage of an ordinance or resolution by the governing body of Obligor specifically prohibiting Obligor from performing its obligations under this Contract and from using any moneys to pay the Contract Payments due under this Contract for a designated Budget Year and all subsequent Budget Years. If Obligor non-appropriates, then all obligations of the Obligor under this Contract regarding Contract Payments for all remaining Renewal Terms shall be terminated at the end of the then current Original Term or Renewal Term without penalty or liability to the Obligor of any kind provided that if Obligor has not delivered possession of the Equipment to Obligees as provided herein and conveyed to Obligees or released its interest in the Equipment by the end of the last Budget Year for which Contract Payments were paid, the termination shall nevertheless be effective but Obligor shall be responsible for the payment of damages in an amount equal to the amount of the Contract Payments thereafter coming due under Exhibit B which are attributable to the number of days after such Budget Year during which Obligor fails to take such actions and for any other loss suffered by Obligees as a result of Obligor's failure to take such actions as required. Obligor shall immediately notify the Obligees as soon as the decision to non-appropriate is made. If such non-appropriation occurs, then Obligor shall deliver the Equipment to Obligees as provided below in Section 9.04. Obligor shall be liable for all damage to the Equipment other than normal wear and tear. If Obligor fails to deliver the Equipment to Obligees, then Obligees may enter the premises where the Equipment is located and take possession of the Equipment and charge Obligor for costs incurred.

V. Insurance, Damage, Insufficiency of Proceeds

Section 5.01 Insurance. Obligor shall maintain both casualty insurance and liability insurance at its own expense with respect to the Equipment. Obligor shall be solely responsible for selecting the insurer(s) and for making all premium payments and ensuring that all policies are continuously kept in effect during the period when Obligor is required to make Contract Payments. Obligor shall provide Obligees with a Certificate of Insurance which lists the Obligees and/or assigns as a loss payee and an additional insured on the policies with respect to the Equipment.

- (a) Obligor shall insure the Equipment against any loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State and any other risks reasonably required by Obligees in an amount at least equal to the then applicable Purchase Option Price of the Equipment. Alternatively, Obligor may insure the Equipment under a blanket insurance policy or policies.
- (b) The liability insurance shall insure Obligees from liability and property damage in any form and amount satisfactory to Obligees.
- (c) Obligor may self-insure against the casualty risks and liability risks described above. If Obligor chooses this option, Obligor must furnish Obligees with a certificate and/or other documents which evidences such coverage.
- (d) All insurance policies issued or affected by this Section shall be so written or endorsed such that the Obligees and its assignees are named additional insureds and loss payees and that all losses are payable to Obligor and Obligees or its assignees as their interests may appear. Each policy issued or affected by this Section shall contain a provision that the insurance company shall not cancel or materially modify the policy without first giving thirty (30) days advance notice to Obligees or its assignees. Obligor shall furnish to Obligees certificates evidencing such coverage throughout the Contract Term.

Section 5.02 Damage to or Destruction of Equipment. Obligor assumes the risk of loss or damage to the Equipment. If the Equipment or any portion thereof is lost, stolen, damaged, or destroyed by fire or other casualty, Obligor will immediately report all such losses to all possible insurers and take the proper procedures to obtain all insurance proceeds. At the option of Obligees, Obligor shall either (1) apply the Net Proceeds to replace, repair or restore the Equipment or (2) apply the Net Proceeds to the applicable Purchase Option Price. For purposes of this Section and Section 5.03, the term Net Proceeds shall mean the amount of insurance proceeds collected from all applicable insurance policies after deducting all expenses incurred in the collection thereof.

Section 5.03 Insufficiency of Net Proceeds. If there are no Net Proceeds for whatever reason or if the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement of the Equipment, then Obligor shall, at the option of Obligees, either (1) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds or (2) apply the Net Proceeds to the Purchase Option Price and pay the deficiency, if any, to the Obligees.

Section 5.04 Obligor Negligence. Obligor assumes all risks and liabilities, whether or not covered by insurance, for loss or damage to the Equipment and for injury to or death of any person or damage to any property whether such injury or death be with respect to agents or employees of Obligor or of third parties, and whether such property damage be to Obligor's property or the property of others (including, without limitation, liabilities for loss or damage related to the release or threatened release of hazardous substances under the Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act or similar or successor law or any State or local equivalent now existing or hereinafter enacted which in any manner arise out of or are incident to any possession, use, operation, condition or storage of any Equipment by Obligor), which is proximately caused by the negligent conduct of Obligor, its officers, employees and agents.

Section 5.05 Indemnification. Obligor hereby assumes responsibility for and agrees to reimburse Obligees for all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses (including reasonable attorneys' fees) of whatsoever kind and nature, imposed on, incurred by or asserted against Obligees that in any way relate to or arise out of a claim, suit or proceeding, based in whole or in part upon the negligent conduct of Obligor, its officers, employees and agents, or arose out of installation, operation, possession, storage or use of any item of the Equipment, to the maximum extent permitted by law.

VI. Title and Security Interest

Section 6.01 Title. To the extent permitted under State law, title to the Equipment shall vest in Obligor when Obligor acquires and accepts the Equipment. Title to the Equipment will automatically transfer to the Obligees in the event Obligor non-appropriates under Section 4.01 or in the event Obligor defaults under Section 9.01. In either of such events, Obligor shall execute and deliver to Obligees such documents as Obligees may request to evidence the passage of legal title to the Equipment to Obligees.

Section 6.02 Security Interest. To secure the payment of all Obligor's obligations under this Contract, as well as all other obligations, debts and liabilities, plus interest thereon, whether now existing or subsequently created, Obligor hereby grants to Obligees a security interest under the Uniform Commercial Code constituting a first lien on the Equipment described more fully on Exhibit A, including any and all additional collateral listed on any other Exhibit A. The security interest established by this section includes not only all additions, attachments, repairs and replacements to the Equipment but also all proceeds therefrom. Obligor authorizes Obligees to prepare and record any Financing Statement required under the Uniform Commercial Code to perfect the security interest created hereunder. Obligor agrees that any Equipment listed on Exhibit A is and will remain personal property and will not be considered a fixture even if attached to real property.

VII. Assignment

Section 7.01 Assignment by Obligees. All of Obligees's rights, title and/or interest in and to this Contract may be assigned and reassigned in whole or in part to one or more assignees or sub-assignees (including a Registered Owner for Participation Certificates) by Obligees at any time without the consent of Obligor. No such assignment shall be effective as against Obligor until the assignor shall have filed with Obligor written notice of assignment identifying the assignee. Obligor shall pay all Contract Payments due hereunder relating to such Equipment to or at the direction of Obligees or the assignee named in the notice of assignment. Obligor shall keep a complete and accurate record of all such assignments.

Section 7.02 Assignment by Obligor. None of Obligor's right, title and interest under this Contract and in the Equipment may be assigned by Obligor unless Obligees approves of such assignment in writing before such assignment occurs and only after Obligor first obtains an opinion from nationally recognized counsel stating that such assignment will not jeopardize the tax-exempt status of the obligation.

VIII. Maintenance of Equipment

Section 8.01 Equipment. Obligor shall keep the Equipment in good repair and working order, and as required by manufacturer's and warranty specifications. If Equipment consists of copiers, Obligor is required to enter into a copier maintenance/service agreement. Obligees shall have no obligation to inspect, test, service, maintain, repair or make improvements or

additions to the Equipment under any circumstances. Obligor will be liable for all damage to the Equipment, other than normal wear and tear, caused by Obligor, its employees or its agents. Obligor shall pay for and obtain all permits, licenses and taxes necessary for the installation, operation, possession, storage or use of the Equipment. If the Equipment includes any titled vehicle(s), then Obligor is responsible for obtaining such title(s) from the State and also for ensuring that Obligees is listed as First Lienholder on all of the title(s). Obligor shall not use the Equipment to haul, convey or transport hazardous waste as defined in the Resource Conservation and Recovery Act, 42 U.S.C. 6901 et. seq. Obligor agrees that Obligees or its Assignee may execute any additional documents including financing statements, affidavits, notices, and similar instruments, for and on behalf of Obligor which Obligees deems necessary or appropriate to protect Obligees' interest in the Equipment and in this Contract. Obligor shall allow Obligees to examine and inspect the Equipment at all reasonable times.

IX. Default

Section 9.01 Events of Default defined. The following events shall constitute an "Event of Default" under this Contract:

- (a) Failure by Obligor to pay any Contract Payment listed on Exhibit B for fifteen (15) days after such payment is due according to the Payment Date listed on Exhibit B.
- (b) Failure to pay any other payment required to be paid under this Contract at the time specified herein and a continuation of said failure for a period of fifteen (15) days after written notice by Obligees that such payment must be made. If Obligor continues to fail to pay any payment after such period, then Obligees may, but will not be obligated to, make such payments and charge Obligor for all costs incurred plus interest at the highest lawful rate.
- (c) Failure by Obligor to observe and perform any warranty, covenant, condition, promise or duty under this Contract for a period of thirty (30) days after written notice specifying such failure is given to Obligor by Obligees, unless Obligees agrees in writing to an extension of time. Obligees will not unreasonably withhold its consent to an extension of time if corrective action is instituted by Obligor. Subsection (c) does not apply to Contract Payments and other payments discussed above.
- (d) Any statement, material omission, representation or warranty made by Obligor in or pursuant to this Contract which proves to be false, incorrect or misleading on the date when made regardless of Obligor's intent and which materially adversely affects the rights or security of Obligees under this Contract.
- (e) Any provision of this Contract which ceases to be valid for whatever reason and the loss of such provision would materially adversely affect the rights or security of Obligees.
- (f) Except as provided in Section 4.01 above, Obligor admits in writing its inability to pay its obligations.
- (g) Obligor defaults on one or more of its other obligations.
- (h) Obligor becomes insolvent, is unable to pay its debts as they become due, makes an assignment for the benefit of creditors, applies for or consents to the appointment of a receiver, trustee, conservator, custodian, or liquidator of Obligor, or all or substantially all of its assets, or a petition for relief under is filed by Obligor under federal bankruptcy, insolvency or similar laws, or is filed against Obligor and is not dismissed within thirty (30) days thereafter.

Section 9.02 Remedies on Default. Whenever any Event of Default exists, Obligees shall have the right to take one or any combination of the following remedial steps:

- (a) With or without terminating this Contract, Obligees may declare all Contract Payments and other amounts payable by Obligor hereunder to the end of the then current Budget Year to be immediately due and payable.
- (b) With or without terminating this Contract, Obligees may require Obligor at Obligor's expense to redeliver any or all of the Equipment and any additional collateral to Obligees as provided below in Section 9.04. Such delivery shall take place within fifteen (15) days after the event of default occurs. If Obligor fails to deliver the Equipment and any additional collateral, Obligees may enter the premises where the Equipment and any additional collateral is located and take possession of the Equipment and any additional collateral and charge Obligor for cost incurred. Notwithstanding that Obligees has taken possession of the Equipment and any additional collateral, Obligor shall still be obligated to pay the remaining Contract Payments due up until the end of the then current Original Term or Renewal Term. Obligor will be liable for any damage to the Equipment and any additional collateral caused by Obligor or its employees or agents.
- (c) Obligees may take whatever action at law or in equity that may appear necessary or desirable to enforce its rights. Obligor shall be responsible to Obligees for all costs incurred by Obligees in the enforcement of its rights under this Contract including, but not limited to, reasonable attorney fees.

Section 9.03 No Remedy Exclusive. No remedy herein conferred upon or reserved to Obligees is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Contract now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or shall be construed to be a waiver thereof.

Section 9.04 Return of Equipment and Storage.

- (a) Surrender: The Obligor shall, at its own expense, surrender the Equipment, any Additional Collateral and all required documentation to evidence transfer of title from Obligor to the Obligees in the event of a default or a non-appropriation by delivering the Equipment and any Additional Collateral to the Obligees to a location accessible by common carrier and designated by Obligees. In the case that any of the Equipment and any Additional Collateral consists of software, Obligor shall destroy all intangible items constituting such software and shall deliver to Obligees all tangible items constituting such software. At Obligees request, Obligor shall also certify in a form acceptable to Obligees that Obligor has complied with the above software return provisions and that they will immediately cease using the software and that they shall permit Obligees and/or the vendor of the software to inspect Obligor's locations to verify compliance with the terms hereto.
- (b) Delivery: The Equipment and any Additional Collateral shall be delivered to the location designated by the Obligees by a common carrier unless the Obligees agrees in writing that a common carrier is not needed. When the Equipment and any Additional Collateral is delivered into the custody of a common carrier, the Obligor shall arrange for the shipping of the item and its insurance in transit in accordance with the Obligees' instructions and at the Obligor's sole expense. Obligor at its expense shall completely sever and disconnect the Equipment and any Additional Collateral or its component parts from the Obligor's property all without liability to the Obligees. Obligor shall pack or crate the Equipment and any Additional Collateral and all of the component parts of the Equipment and any Additional Collateral carefully and in accordance with any recommendations of the manufacturer. The Obligor shall deliver to the Obligees the plans, specifications, operation manuals or other warranties and documents furnished by the manufacturer or vendor on the Equipment and any Additional Collateral and such other documents in the Obligor's possession relating to the maintenance and methods of operation of such Equipment and any Additional Collateral.
- (c) Condition: When the Equipment is surrendered to the Obligees it shall be in the condition and repair required to be maintained under this Contract.
