

TAHTINEN NEWS

Romans 12:1

April 2015

Life Change:

Our family has been through a lot of change in the past few months. We live in a new state. We have a new climate, grocery store, roads to drive on, sports teams, friends, and more. We are close to deciding on a local church. All of these changes have been difficult to work through. We are still adjusting to EVERYTHING new.

With all of that said we have one more new thing coming. We are excited about this news. We will be welcoming Mercedes Smith into our family as our daughter in law. She and Daniel are planning wedding next winter. Please pray these changes as well.

Jackie and the Woman's Retreat

It was great to see Jackie work with the camp wives as well as our Former Director's wife, Ruth, to create our Winter Woman's Retreat. There was great unity as the ladies worked together with ideas and focus. The event was a successful for all with a encouraging speaker, Lisa Meiners. On Saturday evening they enjoyed a Spa and Café night for the ladies to enjoy. Over 60 ladies participated in this winters event.

Getting ready for summer

The snow is almost gone from the ground. The ice has begun melting off the lake and will probably be gone by time you get this. Winter is over and spring has arrived. We have three spring activities left. Along with spring activities, we are getting ready for summer. We have 9 weeks of summer camp scheduled.

Please pray as we are still in need of several men for our Summer Staff Team. If you know a godly young man , please have them apply by going to our website:
