Please choose a Hearing Type and enter in field above:

- **Hearing** - Both parties agree to participate, with their respective counsel or representative, in a hearing proceeding to present their evidence and witness testimony before the IHO.
- **Pre-Hearing Conference** - This conference is for the purposes of simplifying/clarifying the issues; identifying witnesses; identifying evidence; establishing date(s) for the completion of the hearing; and addressing other administrative matters. It may be conducted by telephone. The IHO enters a summary of the pre-hearing conference into the record.
- **Pendency** - a hearing for the purpose of resolving any dispute regarding the educational placement of the student during the impartial hearing. The Impartial Hearing Officer (IHO) must render a written decision regarding pendency as soon as possible and prior to determining any other issue relating to the evaluation, identification or placement of a student.
