If a Party discovers that it does not have the funds to fulfill its obligations, it shall promptly notify the other Party, which shall have the right to discontinue its provision of any support that was to be paid for with such funds. This shall not affect the obligation of a Party to pay for support already received.

g. items of military equipment designated as Significant Military Equipment on the United States Munitions List (Part 121 of Title 22 of the U.S. Code of Federal Regulations), except as allowed under the definition of Logistic Support, Supplies, and Services under U.S. law.

ARTICLE IV TERMS AND CONDITIONS

- 1. Each Party shall make its best efforts, consistent with national priorities, to satisfy requests from the other Party under this Agreement for Logistic Support, Supplies, and Services. However, when an Implementing Arrangement contains a stricter standard for satisfying such requests, the standard in the Implementing Arrangement shall apply.
- 2. Orders may be placed or accepted only by the Points of Contact (POCs), or designees, identified by the Parties in Annexes B through J of this Agreement. When military forces of the Kingdom of Spain require Logistic Support, Supplies, and Services outside the U.S. European Command (USEUCOM) Area of Responsibility (AOR), they may place Orders directly with the cognizant POC or may seek the assistance of USEUCOM, or a USEUCOM component command, to place an Order with a non-USEUCOM POC.
- 3. An Implementing Arrangement under this Agreement may be negotiated on behalf of the U.S. Department of Defense by Headquarters, USEUCOM, the Headquarters of other U.S. Combatant Commands, or their designees. Implementing Arrangements may be negotiated on behalf of the Kingdom of Spain Ministry of Defense by Defense Joint Staff, Joint Operations Command, Headquarters (Army, Navy, Air Force), or their designees. Implementing Arrangements shall identify POCs and their specific authorizations or limitations.
- 4. Prior to submitting a written Order, the ordering Party should initially contact the Supplying Party's POC, including by telephone, fax, or e-mail to ascertain availability, price, and desired method of repayment for required materiel or services. Orders shall include all the data elements in Annex A, as well as any other terms and details necessary to carry out the Transfer. Instructions and a standard Order form are attached. The number of this Agreement, USA-ESP-03, should be annotated on all Orders and related correspondence.
- 5. Both Parties shall maintain records of all transactions.

6. The Receiving Party is responsible for:

- a. Arranging pick-up and transportation of supplies acquired under this Agreement. This does not preclude the Supplying Party from assisting with loading supplies acquired under this Agreement onto the transportation conveyance.
- b. Obtaining any applicable customs clearance and arranging other official actions required by national customs regulations.
- 7. The individual designated by the Receiving Party to receive the Logistic Support, Supplies, and Services on behalf of the Receiving Party shall sign the standard Order form (Annex A) in the appropriate block as evidence of receipt. If the standard Order form is not available at the Supplying Party's point of issue, the individual receiving the Logistic Support, Supplies, and Services shall sign the receipt document provided by the Supplying Party as a substitute. The number of this Agreement, USA-ESP-03, shall be entered on the receipt document.
- 8. The Supplying Party shall be responsible for
- a. notifying the Receiving Party when and where Logistic Support, Supplies, and Services are available to be picked up; and
- b. forwarding the signed receipt document to the POC authorized to accept Orders under this Agreement The signed receipt document shall be attached to the original Order Form.
- 9. Logistic Support, Supplies, and Services received through this Agreement shall not be retransferred, either temporarily or permanently, to any other country, international organization, or entity (other than the personnel, employees, or agents of the military forces of the Receiving Party) without the prior written consent of the Supplying Party obtained through applicable channels.

ARTICLE V REIMBURSEMENT

- 1. For Transfers of Logistic Support, Supplies, and Services under this Agreement, the Parties shall agree on payment either by cash ("reimbursable transaction"), or by replacement-in-kind or an equal-value exchange (both of which are exchange transactions). The Receiving Party shall pay the Supplying Party as provided in either paragraph 1.a. or paragraph 1.b. of this Article.
- a. *Reimbursable Transaction*. The Supplying Party shall submit Invoices to the Receiving Party after delivery or performance of the Logistic Support, Supplies, and Services. Both Parties shall provide for the payment of all transactions, and each Party shall invoice the

other Party at least once every three (3) months for all transactions not previously invoiced. Invoices shall be accompanied by necessary support documentation and shall be paid within sixty (60) days of the date prepared and entered upon the invoice. Payment shall be made in the currency of the Supplying Party or as otherwise agreed in the Order. In pricing a reimbursable transaction, the Parties agree to the following reciprocal pricing principles:

- (1) In the case of a specific acquisition by the Supplying Party from its contractors on behalf of a Receiving Party, the price shall be no less favorable than the price charged the military forces by the contractor of the Supplying Party for identical items or services, less any amounts excluded by Article VI of this Agreement. The price charged may take into account differentials due to delivery schedules, points of delivery, and other similar considerations.
- (2) In the case of Transfer from the Supplying Party's own resources, the Supplying Party shall charge the same price charged its own military forces for identical Logistic Support, Supplies, and Services, as of the date delivery or performance occurs, less amounts excluded by Article VI of this Agreement. In any case where a price has not been established or charges are not made for one's own military forces, the Parties shall agree on a price in advance, reflecting reciprocal pricing principles, excluding charges that are precluded under these same reciprocal pricing principles.
- b. Exchange Transaction. Exchange transactions may be by replacement-in-kind or equal-value-exchange. The Receiving Party shall pay by transferring to the Supplying Party Logistic Support, Supplies, and Services that are agreed between the Parties to be identical (or substantially identical) or to be of equal monetary value to the Logistic Support, Supplies, and Services delivered or performed by the Supplying Party. When Equal Value Exchange is the agreed method of payment, prior to the provision of the requested support both Parties will agree, to the extent possible, on the goods and services that will be accepted for payment. The Receiving Party is responsible for arranging return transportation and delivery of the replacement Logistic Support, Supplies, and Services to the location mutually agreed between the Parties at the time the Order is signed. If the Receiving Party does not complete the exchange within the terms of a replacement schedule agreed to or in effect at the time of the original transaction, which may not exceed one year from the date of the original transaction, the transaction shall be deemed reimbursable and governed by paragraph 1.a. above, except that the price shall be established using actual or estimated prices in effect on the date payment otherwise would have been due.
- c. Establishment of Price or Value. The following pricing mechanisms are provided to clarify application of the reciprocal pricing principles. The price established for inventory

stock materiel shall be the Supplying Party's stock list price. The price for new procurement shall be the same price paid to the contractor or vendor by the Supplying Party. The price for services rendered will be the Supplying Party's standard price, or, if not applicable, the costs directly associated with providing the services. Prices charged shall exclude all taxes and duties that the Receiving Party is exempted from paying under other agreements that the Governments of the Parties have concluded. Upon request, the Parties agree to provide information sufficient to verify that these reciprocal pricing principles have been followed and that prices do not include waived or excluded costs.

- 2. When a definitive price for the Order is not agreed to in advance, the Order, pending agreement on final price, shall set forth a maximum liability to the Party ordering the Logistic Support, Supplies, and Services. Then the Parties shall enter into negotiations promptly to establish the final price.
- 3. POCs for payments and collections for each Party are identified in the Annexes to this Agreement.
- 4. The price for Logistic Support, Supplies, and Services under this Agreement shall not be higher than the price for the same Logistic Support, Supplies, and Services available under any other agreement between the Parties or their Governments.

ARTICLE VI WAIVED OR EXCLUDED COSTS

Insofar as national laws and regulations permit, the Parties shall ensure that any readily identifiable duties, taxes, and similar charges are not imposed on activities conducted under this Agreement. The Parties shall cooperate to provide proper documentation to maximize tax and customs relief. The provisions of any applicable tax and customs relief agreements also shall apply under this Agreement. The Parties shall inform each other whether the price charged for Logistic Support, Supplies, and Services includes taxes or duties. In determining whether duties, taxes, or similar charges should be levied, the pricing principles in Article V govern the value of the Logistic Support, Supplies, and Services provided by the Supplying Party.

ARTICLE VII SECURITY OF INFORMATION

All classified information and material exchanged between the Parties shall be in accordance with their respective national disclosure policies. Any classified information and material provided or generated pursuant to this Agreement shall be protected in compliance with the General Security of Military Information Agreement between the

Government of the United States of America and the Government of the Kingdom of Spain dated on 12 March 1984.

ARTICLE VIII INTERPRETATION, AMENDMENTS, AND REVISION OF INFORMATION

- 1. Any disagreements regarding the interpretation or application of this Agreement, any Implementing Arrangements, or transactions executed hereunder shall be resolved through consultation between the Parties and shall not be referred to any national or international tribunal, or third party for settlement.
- 2. Either Party may, at any time, request amendment of this Agreement by providing written notice to the other Party. In the event such a request is made, the Parties shall enter into negotiations promptly. This Agreement may be amended only by written agreement between the Parties. Replacement of Annexes B through J, which list POCs, may be done by a Party transmitting the replacement Annex to the other Party through military channels, without formal amendment of this Agreement.

ARTICLE IX ENTRY INTO FORCE AND TERMINATION

- 1. This Agreement, which consists of a Preamble, Articles I-IX, and Annexes A through J, shall enter into force upon the date of its [or the last] signature. This Agreement shall remain in force unless terminated by the mutual written consent of the Parties or by either Party giving not less than 180 days notice in writing to the other Party of its intent to terminate. Notwithstanding termination of this Agreement, all reimbursement obligations incurred pursuant to its terms shall remain binding on the responsible Party until satisfied.
- 2. Upon entry into force, this Agreement replaces entirely the Acquisition and Cross-Servicing Agreement (US-SP-02 (ACSA)) between the Department of Defense of the United States of America and the Ministry of Defense of the Kingdom of Spain, dated 19 May 1999, any extensions thereof, and the Implementing Arrangement (EC-SP-01), dated 19 May 1999. Any references in other U.S.- Kingdom of Spain agreements or other documents to the referenced 1999 ACSA or 1999 Implementing Arrangement shall be construed as referring to this successor Agreement.

IN WITNESS WHEREOF, the undersigned, being duly authorized by their respective Governments, have signed this Agreement.

DONE, in duplicate in the English and Spanish languages, each being equally authentic.
