Activity

Preparation:

- Answer the questions and complete the job application form.
(Worksheets 1 and 2)
- Work you the answers for the Questions that might be asked at a job interview. (Worksheet 3)

Role play – procedure:

- Make groups of four.
- Two members of the group apply for the job, two are the employers (personnel managers) of the company.
- The employers decide which questions to ask and interview one applicant after the other. (The applicants should not be able to listen to the job interview of the competitor.)
- After the interviews the employers evaluate their notes and tell both applicants how well they did.
- In the end they have to decide which applicant they would choose and they should justify their decision.

- Change roles.
