Georgia Entertainment Promotion (GEP) Application

This application must be used in conjunction with the Georgia Entertainment Industry Tax Credit Certification Application. This application is for the Georgia Entertainment Promotion (GEP) uplift, which is a 10% uplift on the base tax credit earned for approved projects that include an imbedded Georgia logo within the completed product. This GEP uplift is available for feature films, television series, pilots, television movies, music videos and video games.

Feature films and television programs must include a shooting script for review with this application. Music videos and video games must include a copy of the finished project with the logo included in order to claim the uplift. The **GEP** tax credit uplift will be allowed for projects which the Georgia Department of Economic Development has determined will create valuable promotions that will enhance the State's brand. Applications will be reviewed by the Department of Economic Development and decisions will be final.

When to Apply:

Feature films, television series & pilots may apply for the uplift prior to filming, however, a shooting script must be attached for review. After completion of the project, a digital version including the Georgia logo must be submitted to the Georgia Department of Economic Development. For music videos and video games, a copy of the completed project must be submitted for approval before the GEP certification is awarded. If approved, the Department of Economic Development will provide all necessary copies of the conformed logo for inclusion in the project at no cost to the applicant.
