7. DISCUSSION:

CLASSIFICATION REVIEW: EDUCATIONAL INTERPRETER; FOSTER YOUTH/FAMILY SERVICES RESOURCE COORDINATOR; DIRECTOR OF FACILITIES, OPERATIONS, AND TRANSPORTATION; AND COPY SERVICES TECHNICIAN

The review of the following classifications has been completed; there is employee in each of the classes:

Educational Interpreter for a Deaf or Deaf-Blind Student Kathryn Merrill, Smith Elementary School

Foster Youth/Family Services Resource Coordinator Melissa Musgrave, Student Services Department

Director of Facilities, Operations, and Transportation Jeff Guy

Copy Services Technician Tina Miranda

Position questionnaires were distributed to employees and supervisors. Drafts of the proposed changes in the class specifications are presented on the following pages. Deletions are struck out and additions are underlined.

Very minor changes are being suggested for Copy Services Technician and Director of Facilities, Operations, and Transportation.

There is one revision in the job duties of the Educational Interpreter and changes in the Qualifications section, especially those relating to required certification.

The Foster Youth/Family Services Resource Coordinator was a new position when the class specification was originally written five years ago. The position and related duties have evolved during that time and several revisions have been suggested, including a change in title to Family Resource Coordinator.

No action is required at this meeting. The class specifications and recommendations will be presented for a second reading at the next meeting.

EDUCATIONAL INTERPRETER FOR A DEAF OR DEAF-BLIND STUDENT

PURPOSE OF POSITION

The primary function of an educational interpreter for a deaf or deaf-blind student is to facilitate communication in the educational setting through the use of sign language, spoken English, and cultural mediation according to the student's Individualized Education Program (IEP) and perform related duties as assigned.

SUPERVISION

Receive general supervision from a District or County Office of Education administrator and/or teacher.

ESSENTIAL FUNCTIONS - Duties may include, but are not limited to, the following:

Provide accurate interpretation/transliteration in a variety of educational settings using strategies, adaptations, and techniques for deaf-or deaf-blind students in a manner appropriate to the student's communication level and abilities. In addition to the classroom setting, may include assemblies, field trips, counseling sessions, club meetings, and extracurricular activities.

Assist the teacher in the student's further acquisition of Sign Language as indicated in the student's Individualized Education Program (IEP).

Encourage independence and social integration in the student while avoiding development of inappropriate dependence in the student/interpreter relationship. Serve as a liaison to promote positive public relations between deaf student, hearing peers, and teachers.

Function as an instructional assistant or tutor under the direction of a teacher when the student does not require interpreting services.

Function as general student support, in close proximity of the deaf student, when he/she is working independently and not requiring interpreting services. This would occur only when the interpreter does not need to prepare support materials, prepare for lesson vocabulary, or tutor the deaf student.

May assist teachers to predetermine the texts and materials to be used for the individual student's instructional program.

Prepare for specialized instructional vocabulary, teach the new vocabulary as necessary to the student, and assist with curricular adaptations.

Aid student with the use of assistive visual and/or auditory devices appropriate to the individual student's needs.

Provide, with assistance from the teacher, preparation and exposure to the student to begin tactile communication as indicated in the Individualized Education Program for the deaf-blind student.

Participate as a member of the multidisciplinary team.

Attend and participate in Individualized Education Program team meetings, when requested, and otherwise keep abreast of identified Individualized Education Program objectives so as to incorporate them for the student.

Orient students, peers, staff, and parents to the student's particular communication needs while promoting understanding of the educational interpreter's services, roles, and responsibilities.

EDUCATIONAL INTERPRETER FOR A DEAF OR DEAF-BLIND STUDENT (continued)

Explain, in conjunction with the teacher, the technical needs of the <u>deaf or</u> deaf-blind student, such as visual aids, contrasting clothing, lighting, positioning, lag time, note takers, and closed-captioned materials.

Participate in professional upgrading activities and events through reading available professional literature and attending in-service programs and workshops.

Attend and participate in faculty meetings, staff meetings, and parent conferences as required.

PHYSICAL DEMANDS AND WORKING CONDITIONS

The position requires the ability to see for purposes of <u>performing essential job duties</u>, observing students and reading instructional materials, tests, student records, and other printed matter; understand speech at normal levels in person and on the telephone; communicate so others will be able to clearly understand a normal conversation in person and on the telephone; use all extremities with sufficient manual dexterity for complex interpretive signing; operate audiovisual equipment, computer, copy machine, and other office and classroom equipment with dexterity; and occasionally lift/carry supplies and printed materials weighing up to 25 pounds.

The duties are performed in a classroom working environment subject to bending, crouching, sitting on the floor, and kneeling to interact with students, pushing/pulling equipment, reaching in all directions, and ongoing repetitive movement of hands and arms.

QUALIFICATIONS

8. DISCUSSION:

PROPOSED 2011-12 PERSONNEL COMMISSION BUDGET

The Education Code and Commission Regulations require that the Director of Personnel Services prepare and submit to the Commission a proposed operating budget for the Commission for the ensuing fiscal year.

Education Code 45253 requires that the Commission hold a public hearing regarding the budget no later than May 30 unless there are circumstances which would prevent such a hearing by that date. Prior to the public hearing, the Commission is to forward a copy of its proposed budget to the Board of Education indicating the time, date, and place for the public hearing on the budget and is required to invite Board and District Administration representatives to attend and present their views. The Commission is required to consider fully the views of the Board prior to the adoption of its proposed budget. Following adoption, the Commission then forwards its proposed budget to the County Superintendent of Schools for action. Upon approval by the County Superintendent of Schools, the Personnel Commission budget must, by law, be included by the Board of Education in the general fund budget of the District.

Should an unresolved difference between the Commission and the Board develop, the County Superintendent of Schools is empowered to hold hearings on the matter. After such public hearings, the County Superintendent may either reject, or, with the concurrence of the Commission, amend the proposed budget.

The proposed Personnel Commission Budget for the 2011-12 fiscal year is presented on the following page. To the right of each account description are respectively the 2009-10 actual expenditures, the amount budgeted for each category in the 2010-11 budget as adopted by the Commission, an estimate of 2010-11 expenditures, and the proposed 2011-12 budget.

8. DISCUSSION:

PROPOSED 2011-12 PERSONNEL COMMISSION BUDGET (continued)

The following are comments regarding the proposed 2011-12 budget:

- a. The proposed budget reflects no general salary increase and no increase in the cost of medical benefits for management and clerical staff. By mutual agreement and according to past practice with the District, any general salary increase or increase in the cost of medical benefits would be funded into the Personnel Commission budget when determined.
 - The District funds 60% of the Director of Personnel Services and Personnel Receptionist positions, with the Commission budget funding the other 40%. The Personnel Commission budget funds one Personnel Assistant entirely, 50% of the Personnel Assistant (Substitutes), and 50% of the Personnel Analyst.
- b. Item 2270 Transportation Overtime \$150. To cover salary costs related to time beyond the normal duty day for random drug testing of employees who hold commercial driver licenses.
- c. Item 2300 Personnel Commission \$1,800. To pay Commissioners \$50/meeting attended.
- d. Item 2430 Clerical and Office Hourly \$800. To pay classified employees for participating in interview panels and other professional development activities which extend beyond the normal duty day.
- e. Item 2460 Clerical Substitutes \$300. To provide substitute clerical coverage for school site personnel who participate on interview panels or who attend training sessions offered by the Personnel Office.
- f. Items 3101-3901 Fringe Benefits All are required by law, policy, or contract.
- g. Item 4300 Materials and Supplies \$1,700. For paper products, toner, and other office supplies.
- h. Items 4400 and 4401 Equipment, New and Replacement No equipment needs have been identified at this time.
- i. Item 5200 Conference—Administration \$1,500. To pay registration fees and travel expenses for the annual Personnel Commissioners Association conference.
- j. Item 5230 Mileage \$50. Mileage reimbursement to staff for use of personal car for site visits and travel to conferences.
- k. Item 5231 Mileage-Administration \$1,920. Mileage stipend for the Director of Personnel Services for the use of personal car on District business.
- I. Item 5300 Dues/Memberships \$2,407. For membership in CODESP (\$1,750) and the California School Personnel Commissioners Association (\$657).

8. DISCUSSION:

PROPOSED 2011-12 PERSONNEL COMMISSION BUDGET (continued)

- m. Item 5716 Duplicating \$1,500. To meet anticipated duplication needs.
- n. Item 5760 Food Service Catering \$100. Beverages and food for various meetings ordered from the District's Food Service Department.
- o. Item 5800 Professional/Consulting Services \$4,200. For 40% of the monthly fees for the automated substitute management system.
- Item 5824 Contracts Food \$50. Beverages and food for various meetings ordered from non-District vendors.
- q. Item 5840 Physicals/Fingerprints \$16,000. Pre-placement physicals, annual asbestosis physicals, bus driver physicals, and fitness-for-duty physicals are estimated at \$9,000. Employee TB clearances are estimated at \$2,000. New employee fingerprinting is expected to cost \$3,000. The budget also includes \$2,000 for drug and alcohol testing of employees holding commercial driver licenses.
- r. Item 5850 Advertising \$1,000. To cover the cost of classified advertising in professional journals and publications and on recruiting websites.
- s. Item 5872 Legal Fees \$8,000. Reserves funds for any necessary legal representation related to employee discipline and grievances or appeals to the Commission.
- t. The District has implemented "zero-based budgeting" for all departments other than school sites. With this budgeting process, departments are encouraged to project budgets as accurately as possible. However, allowance is provided that, where necessary, transfers may be made from one account to another within the department budget to enable remaining within the overall total budget.
- u. The Business Office budgets for expenses related to collective bargaining, hence no entry is made or required in the Personnel Commission budget.

Staff will be prepared to answer questions regarding the budget at the meeting. No action by the Commission on the budget is necessary at this meeting; however, the Commission should schedule a public hearing in May.

RECOMMENDATION:

It is recommended that the Commission ask the Director of Personnel Services to schedule a Public Hearing on the proposed budget for the next Personnel Commission meeting, and that he notify the Board of Education and the Administration of the hearing and invite them to attend the public hearing.

9. <u>DISCUSSION/ACTION:</u> REVISION IN SPECIAL EDUCATION PARAEDUCATOR CLASS SPECIFICATION

The District is currently providing special education services to a student with a seizure disorder. The anti-seizure medication can only be administered by a licensed nurse, either an LVN or RN. Currently, one of the School Nurses is on-call in the event a seizure occurs.

Administration is recommending that the Experience/Training section of the Special Education Paraeducator class specification be revised to include the following language: <u>Vocational Nurse License or Registered Nurse License is required for some assignments due to the health care needs of the student(s)</u>. This change is shown in the class specification on the following pages.

This change would provide the District with additional coverage for this need. Applicants who possess the license and who are assigned this responsibility would receive the health care responsibility factor of \$15/day, as provided in Article XIII.N. of the California School Employees Association contract.

RECOMMENDATION:

That the Commission approve the recommended change in the Special Education Paraeducator class specification.

SAN LUIS COASTAL UNIFIED SCHOOL DISTRICT CLASS SPECIFICATION

SPECIAL EDUCATION PARAEDUCATOR

PURPOSE OF POSITION

To assist students with disabilities who are receiving special education services by performing paraprofessional duties including modality-based academic instruction, physical education instruction, social skills instruction, behavioral modification and management, preparation of instructional materials, clerical tasks, and related duties as assigned. The Paraeducator may also assist students with feeding, toileting, and specialized health care.

SUPERVISION

Receives general supervision from certificated staff. In the area of specialized health care procedures, receives training and support from School Nurse.

TYPES OF ASSIGNMENTS - Special Education Paraeducators are assigned to a variety of grade levels, pre-school to adult, and settings, including special day classes for students who are medically fragile and/or mildly to severely disabled, resource programs, general education classes, classrooms for severely emotionally disturbed students, and as one-to-one support assistance to students. Each student is placed according to his/her Individualized Education Program (IEP) and can be in one or more of the settings described below:

Resource program (RSP) provides instruction and services to students with disabilities assigned to the general education classroom for the majority of the school day. The program provides assistance in a variety of ways depending on the needs of the particular student. Services are delivered in individual or small settings as well as in the general education classroom. Students may have mild to moderate impairments and require one-to-one support in general education classrooms.

Special day classes, mild/moderate (MM) and moderate/severe (MS), serve students with disabilities who, due to significant cognitive or physical impairments, cannot participate in general education classes for a majority of the school day. Students enrolled in special day classes interact with their general education peers through academic, non-academic, and extracurricular activities. The students in the special day classes typically have more intensive needs and may be grouped according to their similar instructional needs. Students in the mild/moderate program work on state standards with a variety of instructional strategies. For students in the moderate/severe program, the focus of the program is primarily on functional living skills and a modified curriculum. In both of the programs, the Paraeducator is responsible for assisting the teacher with curriculum, student behavior, and health and personal care.

Classes for emotionally disturbed (ED) are designed for students who demonstrate severe emotional problems which interfere with their learning. These students need a highly structured class with a behavioral component. The curriculum may be modified, but closely follows the general education curriculum.

Special Circumstances Instructional Assistance (SCIA) is one-to-one assistance when additional support is necessary for the student to meet his or her goals. The SCIA may be assigned to assist the student in special education classes, general education classes, or a combination of both. The assignment may involve intensive interventions, data collection, and behavioral challenges.

General Education Inclusion is designed to support the student in the least restrictive environment with typically developing peers. Students may require SCIA support in order to be successful and safe.

SPECIAL EDUCATION PARAEDUCATOR (continued)

ESSENTIAL FUNCTIONS - Duties may include, but are not limited to, the following; the specific duties performed will vary depending on the program to which assigned:

Implement academic instruction under the direct and indirect supervision of the special education classroom teacher to individuals or small groups of students in reading, written language, mathematics, science, and social sciences. Also assist with instruction in social/emotional, fine and gross motor, and language and communication skills.

Provide curriculum modification for students with special needs within general education classrooms.

Assist with the implementation of communication and social skills programs.

Implement physical education instruction under the direct and indirect supervision of the physical education teacher.

Assist in supervising students during playground activities, bus loading and unloading, field trips, and other activities.

Assist teacher in preparation of instructional materials and learning activities.

Assist teacher with routine clerical and record-keeping activities including correcting papers, preparing correspondence, completing forms, and filing.

Collect and record data in order to monitor student's progress. Maintain confidentiality of student information.

Assist in preparing bulletin board materials and decorating classroom; assist in maintaining a neat, orderly, and attractive learning environment.

Collect, assemble, and distribute textbooks, learning materials, supplies, equipment, and resource materials; assist in ordering instructional materials as directed.

Operate audiovisual equipment, copy machines, and other equipment that is related to the instructional program.

Attend and participate in staff, professional development, and team planning meetings as required. Attend non-violent crisis intervention training and behavior intervention training as required. May participate in therapy sessions with counselors and mental health specialists.

The following duties are typically performed in classrooms for students who are moderately to severely disabled and may be performed in support of students in other settings:

Some assignments include specialized health care procedures including, but not limited to, gastronomy tube feeding, tracheostomy suctioning, blood glucose monitoring, nebulizer treatment, catheterization, intravenous medication and infusion, ostomy procedures, oxygen administration, diapering, and toileting.

SPECIAL EDUCATION PARAEDUCATOR (continued)

Assist in training designated students in the skills necessary to care for their personal hygiene, self-help, and individual medical needs, including use of bathroom facilities, feeding, and other specialized health care.

Adjust special equipment such as wheelchairs, lifts, braces, and walkers; position or reposition students in same.

Set up meal trays; assist students with feeding.

Assist in maintaining clean and safe classroom, play, and eating areas.

Assist students in changing clothing or putting on garments.

PHYSICAL DEMANDS AND WORKING CONDITIONS

The position requires the ability to see for purposes of performing essential job duties, observing students and reading instructional materials, tests, student records and other printed matter; understand speech at normal levels in person and on the telephone; communicate so others will be able to clearly understand a normal conversation in person and on the telephone; operate audiovisual equipment, computer, copy machine and other office and classroom equipment with dexterity; occasionally lift/carry supplies and printed materials weighing up to 25 pounds; occasionally lift (with assistance), move, and position disabled students up to age 22 who may weigh 150 pounds or more; and use appropriate equipment to lift/move student to ensure access to all facilities, including bathrooms. The duties are performed in a classroom and on school grounds with prolonged periods of standing and walking to work with and assist students. There is frequent bending, crouching, kneeling, and sitting on the floor to interact with students, pushing/pulling equipment, and reaching in all directions. Some assignments require constant attention to protecting physical safety in a classroom where students, because of the nature and severity of their disabilities are accident prone or, because of assaultive or self-abusive tendencies, could cause serious injury to themselves or others. There may be incidents of exposure to bodily fluids.

QUALIFICATIONS

Experience/Training: Any combination of education, experience, and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would include graduation from high school and experience working with students with disabilities. Additional college course work and specialized training in child care, psychology/guidance, behavior modification techniques, instructional technology, child development, or a related field are preferred. Vocational Nurse License or Registered Nurse License is required for some assignments due to the health care needs of the student(s).

Skills, Knowledge, and Abilities: Knowledge of appropriate techniques for the instruction of students in special education; the general purposes and goals of public education, including the California State Standards; general methods of education and teaching; techniques to control and motivate students; student behavior and characteristics; core academic subject areas, including mathematics, science, English, and social sciences, at a level appropriate to assignment; computer equipment; and word processing and data base programs.

Ability to learn instructional terminology, program philosophies, concepts, materials, methods and procedures; assume responsibility for assisting in the supervision of students in special education; recognize potential limitations of students and encourage their participation in educational and occupational programs and activities with patience and compassion; utilize or quickly learn to utilize word processing, data base, and other computer programs used at the site to which assigned; assist students with their personal hygiene, lavatory, and specialized health care needs; read, write, and understand the English language; maintain records; operate or learn to operate equipment used as educational aids; communicate clearly and concisely, both orally and in writing; remain calm in stressful situations; and establish and maintain cooperative working relationships with those contacted in the course of work.

10. DISCUSSION/ACTION:

EXTENSION OF SPECIAL EDUCATION PARAEDUCATOR ELIGIBILITY LIST

The current Special Education Paraeducator eligibility list will expire on July 20, 2011. There are still nine eligibles on the list. Some of the eligibles will not be available for positions until August and some are waiting for six hour/day positions. Staff is asking that the Commission extend the expiration date of the list for an additional six months. This will allow the eligibles to remain active for the coming school year without the need to reapply and will allow staff to combine the current list with a list which will be established within the next several weeks for 2011-12 school year hiring.

RECOMMENDATION:

That the Commission approve the extension of the Special Education Paraeducator eligibility list which is due to expire July 20, 2011, until January 20, 2012.

11. NEXT MEETING

The next regular Personnel Commission meeting is scheduled for 4 p.m., Wednesday, May 25, 2011.

12. CLOSED SESSION

The Commission may meet in Closed Session to discuss items relating to appointment, employment, discipline, and resignation of District employee(s).
