## Newspaper Article

This assignment is designed to demonstrate your initial understanding of each of the areas of social science. In this assignment you will:

- 1. Choose an article about a crime from a newspaper/magazine. Cut it out and attach it neatly to another page, then
  - a) Write a one-paragraph summary of the article.
  - b) List **five** questions each that an anthropologist, a psychologist, and a sociologist would ask to help the police investigate the incident.

The summary and questions should be typed and put in an appropriate order.
