**NEW YORK CITY HOUSING AUTHORITY  
DEVELOPMENT PARKING LOTS – PARKING REGULATIONS**

**The following Parking Rules apply to everyone parking a vehicle in a New York City Housing Authority (NYCHA) parking lot.**

1. **Parking Permit Required:** No one may park a vehicle in a NYCHA parking lot unless NYCHA grants permission to park and issues a parking permit for that vehicle. Parking fees are designated on a separate fee schedule. NYCHA does not grant refunds of parking fees after the issuance of a **Parking Permit**.
2. **Placement of Permit:** *The permit, in the form of a sticker, must be permanently affixed to the inside lower corner on the passenger side (right side) of the listed vehicle's front windshield. For motorcycles, owners must affix the sticker to the fork on the operator's right side. The parking permit (sticker) is **NOT** transferable.*
3. **Display of Authorizations:** Subject vehicle must clearly display the current New York State vehicle registration, license plates, New York State Vehicle Inspection Sticker and NYCHA parking sticker at all times. **If parked in a space designated for persons with disabilities, vehicle must display a valid NY City or NY State Parking Permit for Persons with Disabilities.**
4. **Insurance Required:** An amount of insurance prescribed by New York State law must be maintained at all times.
5. **Non-Reserved Parking:** Vehicles with valid parking permits may park in available spaces in the non-reserved resident parking lot within the housing development specified on the permit. Parking is on a first come, first served basis.
6. **Reserved Parking:** Vehicles authorized for reserved parking will be designated to park only in a specific spot in a specific parking lot. If the parking spot is equipped with a chain or locking arm, the vehicle user is encouraged to lock the space upon leaving to prevent unauthorized vehicles.
7. **Parking Spaces:** Parking is permitted only in designated and/or marked parking spaces, **one space per vehicle**. Oversized vehicles that do not completely fit into **one** parking space are prohibited. While parked, the subject vehicle may not block any other vehicle.
8. **Vehicle Repair Prohibited:** Vehicle repair *other than changing of tires* is **NOT** permitted in parking areas.
9. ***PARKING AT OWNER'S RISK: THE USE OF ANY PARKING AREA IS SOLELY AT THE VEHICLE OWNER'S OWN RISK, AND THE NEW YORK CITY HOUSING AUTHORITY ASSUMES NO RESPONSIBILITY OF ANY NATURE WITH RESPECT TO THE VEHICLE OR ITS CONTENTS; THIS PROVISION SHALL NOT BE DEEMED TO HAVE BEEN WAIVED BY ANY ACTION OF THE NEW YORK CITY HOUSING AUTHORITY OR ITS EMPLOYEES.***
10. **Parking Lot Maintenance:** Subject vehicle must be removed at times specified by NYCHA for parking area cleaning and repairs.
11. **Changes to Regulations:** NYCHA reserves the right to modify these Parking Regulations at any time, upon **10 days notice**.
12. **Revocation of Parking Authorization:** NYCHA reserves the right to revoke the license to park authorized by a parking permit **upon 10 days notice** for violation of these **Parking Regulations**, or for non-payment of a parking fee.
13. **Termination of Parking Authorization:** Permission to park terminates when the parking sticker expires, the tenant moves out, or if permission is revoked.
14. **Vehicle Ticketing or Removal:** NYCHA reserves the right to remove from the parking area, without prior notice, and at the vehicle owner's expense, any vehicle deemed to constitute a clear danger to persons or property. NYCHA reserves the right to request that a summons be issued by a NY City Police Officer and /or to remove a vehicle from the parking area, including the cutting of any reserved space chain and/or lock, at the vehicle owner's expense; any vehicle whose NYCHA parking permit has been revoked or expired, any vehicle occupying a reserved parking space without authorization, any vehicle lacking current NYS registration, lacking parking plates or any abandoned vehicle.
