The Tom York Lecture Series

welcomes well-known author and speaker

Philip Gulley

November 15-17, 2013

Gulley is renowned for story-telling and he will entertain and enlighten with stories on Friday evening.

On Saturday Gulley will discuss his book, **The Evolution of Faith.**

The Thomas D. York Lecture Series

The Thomas D. York Lecture Series was established in 2012 to honor the ministry of Tom York, beloved senior pastor at Knox Presbyterian Church from 1996-2012. Tom’s leadership, thought-provoking sermons, and dedication to our exploration of faith in a modern world, led the congregation to establish a fund that would support an ongoing lecture series at Knox.

Speakers will spark a dialogue around current concerns, important issues of our time, theological debates, or questions or faith. We believe education, healthy debate, and respect for different viewpoints makes us a stronger community, and it is in that spirit that the Thomas York Lecture Series was created.
