.02 Requests to use the seal shall be directed to the Deputy Director, OAS, who will coordinate the necessary reviews and concurrence on behalf of the CFO/ASA. The review of the Deputy Director, OAS, shall ensure that any request for the use of a Department seal shall meet the following criteria:

- a. use of the seal by the outside party must satisfy some interest of the Department;
- b. the use may not result in embarrassment to the Department;
- c. there must be no conflict with trademark rights; and

.03 To support the need for complete and considered review, all requests to use the Department seal shall include the following information:

- a. a specific description of how the Department seal will be used, including its size and proximity of the seals, logos, emblems, or banners of other organizations, agencies, businesses or corporations. When available, the request shall be accompanied by a draft document (representing the final product), which clearly demonstrates where the Department seal will be placed;
- b. a specific description of the Departmental interest(s) that will be satisfied, supported, or fulfilled through the requested use of the seal;
- c. a description of the Department's relationship, if any, to the requesting party; and
- d. operating unit requests shall be accompanied by a brief statement explaining how the use of the seal in the given circumstance will not result in embarrassment to or a perception of favoritism or endorsement by the Department.

In Satisfaction of Agency Mission

We have determined that the proposed outside use of the Department seal furthers the agency's mission because...

No Conflict With Trademark Rights

We have determined that there are no trademark related issues, such as trademark infringement or dilution, relevant to this outside use of the Department seal, since the seal is not being used in a way that would suggest that it was the property of the outside organization, nor is it being used in any other way that would cause harm to the agency's trademark rights in the seal. To this end, we have reviewed and approved of *[name of outside organization's]* proposed use, shown in the mockup, and will request that the outside organization use the following notice in conjunction with their use of the seal:

“The Department of Commerce seal is a trademark of the Department of Commerce, used with permission.
