

Declaration of Plan to Discontinue Lease, Rental, and Maintenance Services and Withdrawal of Selected ServicePacs

Overview

Periodically, IBM provides notice to customers of plans to terminate lease, rental, and maintenance services for machines under an IBM Agreement. At this time, we are providing notice that selected machine types and models will be discontinued from lease, rental, and maintenance services. Refer to the **Withdrawn Machine Types and Models** section for a complete list of the machine types and models and their effective dates.

IBM will not send any further correspondence of this nature for these machines.

Additionally, selected ServicePacs are being withdrawn from, or updated for, the following IBM Installation Services and ServicePac® for Electronic Systems Management Services:

- IBM ServicePac for Installation Services for Netfinity® rack installation, announced in Services Announcement 600-022, dated June 20, 2000.
- IBM Installation Services —ServicePac for basic installation plus migration for IBM notebook and desktop computers, announced in Services Announcement 601-028, dated July 31, 2001.
- IBM Installation Services —ServicePac for enhanced installation plus migration for IBM notebook and desktop computers, announced in Services Announcement 601-028, dated July 31, 2001.
- IBM Operational Support Services —electronic systems management for Netfinity, announced in Services Announcement 600-021, dated July 18, 2000.

For a list of the Installation ServicePacs being withdrawn or updated, refer to the **Installation ServicePacs List** in this announcement.

For a list of the Electronic Systems Management ServicePacs being withdrawn, refer to the **Withdrawn Electronic Systems Management ServicePacs List** in this announcement.
