## New Barbershop!

Rainmaker, Greg Holt has recently taken over ownership of Billings Barber Shop.

Greg's shop is located at 1316 11th St. W in Billings.

"**FREEDOM** is never more than one generation away from extinction. We don't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the **UNITED STATES** where men were free." **RONALD REAGAN**

I have wondered at times about what the Ten Commandments would have looked like if Moses had run them through the U.S. Congress! **R.W. Reagan**

"In questions of power, then, let no more be said of confidence in man, but bind him down from mischief by the chains of the Constitution!" **Thomas Jefferson**

### **Just a Thought**

We have counted the cost of this contest and find nothing so dreadful as voluntary slavery. Honor, justice, and humanity forbid us to tamely surrender that freedom which we received from our gallant ancestors, and which our innocent posterity have a right to receive from us.... Our cause is just. Our union is perfect. Our internal resources are great; and, if necessary, foreign assistance is undoubtedly attainable.

- Thomas Jefferson and John Dickinson,
- *Continental Congress Declaration on the Necessity of Taking up Arms* (1775).

## **7 Smart Places to Stash your Cash**

So you're still hiding money under the mattress or in the bread box?

Well, you're not alone. Ever since financial institutions have been dropping like flies, millions of Americans have stopped relying solely on their banks.

**Be sure your bank is insured.** If you're not sure if your bank is FDIC insured find out or get your money out. They only have enough cash on hand to cover about 2% of nationwide deposits. So it's not always wise to keep all your eggs in one basket.

**Start and grow a coin collection.** Coin collections are tangible assets that will always keep their face value, instead of just owning stocks that could depreciate or lose you money.

**Keep cash safe at home.** Cash is King. Believe it, but remember not to keep it in a thief's favorite spot; like in the bread box or the mattress. These will never have the protection that a quality home safe can provide.

**Savings Bonds, an old favorite.** Savings bonds are an easy way for your money to stay safe in the future. However, if lost or stolen they could be difficult to replace unless the serial number was kept in a safe place.

**Gold and Silver still shine.** If you own gold or silver, great, hold on to it. But if you don't, one of your best bets is to try to get as many U.S. Gov't issued gold and silver coins as you can.

**Hold onto real estate.** With interest rates at historic all-time lows the market is sure to recover and property values will once again bounce back. So those who hold on to their homes for the long term will likely reap the benefits of these investments.

**Buy a good safe.** Home safes become an absolute necessity during economic turmoil. But, because of the hug spike in recent sales, safes may be hard to come by.

With all this you'll be much safer, just in case your bank is the next to fail.

## ***The Fertilized Egg Business***

John was in the fertilized egg business.

He had several hundred young layers (hens), called 'pullets,' and ten roosters to fertilize the eggs.

He kept records, and any rooster not performing went into the soup pot and was replaced.

This took a lot of time, so he bought some tiny bells and attached them to his roosters.

Each bell had a different tone, so he could tell from a distance, which rooster was performing.

Now, he could sit on the porch and fill out an efficiency report by just listening to the bells.

John's favorite rooster, Hussein, was a very fine specimen, but this morning he noticed Hussein's bell hadn't rung at all!

When he went to investigate, he saw the other roosters were busy chasing pullets, bells-a-ringing, but the pullets, hearing the roosters coming, could run for cover.

To John's amazement, Hussein had his bell in his beak, so it couldn't ring. He'd sneak up on a pullet, do his job and walk on to the next one. John was so proud of Hussein, he entered him in the Renfrew County Fair and he became an overnight sensation among the judges.

The result was the judges not only awarded Hussein the No Bell Piece Prize but they also awarded him the Pulletsurprise as well. Clearly Hussein was a politician in the making. Who else but a politician could figure out how to win two of the most highly coveted awards on our planet by being the best at sneaking up on the populace and screwing them when they weren't paying attention.

Vote carefully, the bells are not always audible.

## **Rainmaker Meeting Minutes October 14, 2009**

John Vanover called the meeting to order at 7:26 on 10/13/09, 15 RMC members attended this meeting. September minutes were accepted. Motion by Dwight Hodges and seconded by Dave Alder.  
Treasury report: \$625.43

### **Old and New Business:**

1. Briarwood Christmas party December 5th.
2. Ride schedule were discussed again.
3. The dinner ride was discussed.

People thought perhaps we'd have a better attendance if we didn't have it the next week after the main meeting. Nothing was set in stone, we need further discussion on the subject. There was good attendance at Gusicks on the 20th. Maybe it depends on where we are going (in town or out of town).

No one won the shake a day and Janice won the drawing.

On the Christmas party your money needs to be paid by November 23rd. It will be \$24.00 per person. The party will begin at 6:00 - Happy Hour 7:00-Dinner at the Briarwood County Club. Everyone will bring a gift (no more than \$10.00-strickly voluntary), it can be motorcycle, female or male related. Kenrdra suggested we form groups and do skits for entertainment, and maybe Greg Holt would play his bag pipes. Greg is that a possibility?

John, Dwight , Dave Alder, Jack, Janice and Bev will get gift certificates. Motion to adjourn by Dwight and seconded by Mary,  
Minutes submitted by Beverly Mundschenk
