## DEPOSIT BOND

### GENERAL ELECTION 2015 in NORTHERN LINCOLNSHIRE

In order to stand in the general election each candidate has to pay a £500 deposit. We shall be standing in four constituencies so need to raise £2000 to pay for the deposits. One way we are trying to raise this money is through selling Deposit Bonds.

Each Bond will be redeemable after the election if the Green Party receives enough votes (5% of votes cast) to retain the deposit in any seat in Northern Lincolnshire where you hold a Bond, and if the Bond is returned with a stamped addressed envelope within 28 days of the declaration of the results.

If the Bond is not redeemed it will be treated as a donation to the Green Party within Northern Lincolnshire.

You can buy as many bonds as you like, spread across as many constituencies as you like.

Please send me Deposit Bonds at £5 per bond for the following constituencies:
