IMPOSITION, BASE AND RATE

Gross premiums tax is imposed on insurance companies at a rate of 2 percent of gross premiums received from business conducted in Pennsylvania. For more information, see the Act of March 4, 1971 (P.L. 6, No.2).

Extraordinary medical benefit premiums for coverage under 75 Pa.C.S. § 1715(a) (1.1) are not subject to the tax (See 75 Pa.C.S. § 1798.1(c)).

To claim the deduction for extraordinary medical benefit premiums, you must include the policy numbers and premium amounts for any deduction taken. Schedule T should also include a footnote to report the premiums.

The following may be deducted from taxable premiums:

- Amounts returned on policies cancelled or not taken
- Premiums received for reinsurance
- The portion of advanced premiums, premium deposits or assessments returned in cash or credited to members or policyholders upon the expiration or termination of their contracts (in the case of mutual insurance companies, associations, exchanges and stock companies with participating features)

- Notes and other obligations received by mutual insurance companies to secure contingent premium liabilities to the extent that no assessment has been made and collected against the notes or obligations.

Companies exempt from the tax include title insurance companies subject to the title insurance and trust companies shares tax; purely mutual beneficial associations whose funds for the benefit of members and families or heirs are made up entirely of the contributions from their members and the accumulated interest on those contributions; corporations organized under the Non-profit Hospital Plan Act of 1937 (Act of June 21, 1937, (P.L. 1948, No.378)); and corporations organized under the Nonprofit Medical, Osteopathic, Dental and Podiatry Service Corporation Act of 1939 (Act of June 27, 1939, (P.L. 1125, No.399) Act of 1937 (Act of June 21, 1937, (P.L. 1948, No. 378)); and corporations organized under the Nonprofit Medical, Osteopathic, Dental and Podiatry Service Corporation Act of 1939 (Act of June 27, 1939, (P.L. 1125, No.399).

REVENUE ID, FEDERAL EMPLOYER IDENTIFICATION NUMBER (FEIN), PARENT CORPORATION FEIN, NAME AND ADDRESS

The Revenue ID number, FEIN, name and complete mailing address must be provided. If the taxpayer is a subsidiary of a corporation, the parent corporation's FEIN must be provided. Also provide the telephone number and email address of the taxpayer.

TAX YEAR

Enter month, day and year (MMDDYYYY) for the tax year beginning and enter year (YY) for the tax year end.

REPORT DUE DATE

This report is due April 15 for the preceding year ended Dec. 31. If April 15 falls on a Saturday, Sunday or holiday, the report is due the next business day. The penalty imposed for failure to file timely reports is now a minimum of \$500, regardless of the determined tax liability, plus an additional 1 percent of any determined tax liability over \$25,000.

ADDRESS CHANGE

Enter "Y" in the block on Page 1 if the address of the corporation has changed from prior tax periods. The current mailing address should be reflected on the report.

PA AGENT RENEWAL FEES

AMENDED REPORT

Enter "Y" in the block on Page 1 if you are filing an amended report to add, delete or adjust information. Provide documentation to support all changes being made. An amended report should only be filed if an original report was filed previously for the same period.

An amended report must be filed within three years of the filed date of the original report. The department may adjust the tax originally reported based on information from the amended report. The taxpayer must consent to extend the assessment period. If the amended report is timely filed and the taxpayer consented to extend the assessment period, the time period in which to assess tax will be the greater

of three years from the filed date of the original report or one year from the filed date of the amended report.

Regardless of the tax year being amended, taxpayers must use the most current non-year-specific tax form, completing all sections of the report. This includes those sections originally filed and those sections being amended. All tax liabilities should be recorded on Page 1. Taxpayers must check the Amended Report check box on Page 1 and include Schedule AR, REV-1175, with the report.

RETALIATORY INFORMATION SCHEDULE

Retaliatory fees are imposed on foreign insurance companies under Section 212 of the Insurance Company Law of 1921 (P.L. 682, No. 284). Such fees are reported and remitted to the Department of Revenue.

Foreign insurance companies must complete the Retaliatory Information Schedule on Page 3 of RCT-121C, furnishing sufficient detail to enable the Department of Revenue to calculate the retaliatory fee. For each premiums-based tax, show the tax rate and all items used in determining the taxable amount, including gross premiums, return premiums and dividends to policyholders. Include reinsurance assumed from unlicensed insurers if your state of domicile imposes a base tax on net direct premiums plus reinsurance assumed from unlicensed insurers.

Any retaliatory fee in excess of the amount submitted and due with the filing of the report is due when the debtor receives a copy of the assessment. If your state of incorporation imposes a franchise or income tax, submit a copy of the tax report as filed in your state, along with a copy of the tax report on which Pennsylvania totals are substituted for your state totals. Please submit this information to Pennsylvania within 30 days of filing in your state.

Payment for renewal of certificate of authority and filing fees should be made using a separate check only after a bill is received from the Pennsylvania Insurance Department.

Include with the Retaliatory Information Schedule, a copy of the Pennsylvania Business Page, Schedule T filed with the Pennsylvania Insurance Department and all supporting documentation.

FINAL REPORT

- Enter "Y" in the block on Page 1 if this report will be the final report filed with the department. Indicate the effective date of the event as MMDDYYYY.
- Include information from the Pennsylvania Insurance Department verifying the taxpayer's insurance license expired, was cancelled or not renewed.
- Include a copy of the regulatory authority's approval of the merger, dissolution, plan of reorganization and/or articles of merger.
- Provide the Revenue ID and FEIN of the surviving entity, if applicable.

CORPORATE OFFICER INFORMATION

A corporate officer must sign and date the tax report. The signature must be original; photocopies or faxes will not be accepted. Print the first and last name, title, Social Security number, telephone number and email address of the corporate officer.

PREPARER'S INFORMATION

Paid preparers must sign and date the tax report. If the preparer works for a firm, provide the name, FEIN and address of the firm along with the name, telephone number, email address and PTIN/SSN of the individual preparing the report. If the preparer is an individual without any association to a firm, provide the name, address, telephone number, email address and PTIN/SSN of the individual preparing the report.

ESTIMATED PAYMENT INSTRUCTIONS

The full amount of the required prepayment for gross premiums tax is due **on or before** March 15 of the reported year. Tax remaining due at the close of the taxable year must be paid on or before April 15 of the following year.

Mail the estimated payment coupon, REV-423, separately from all other forms.

If you have questions regarding estimated payments, call the Accounting Division at 717-705-6225.

ESTIMATED PAYMENT SAFE HARBOR

The gross receipts tax prepayment **MUST** be equal to 90% of the current tax year liability. However, taxpayers are eligible to use the "safe harbor" option in the event they cannot accurately estimate their current year liability. The prepayment requirement will be satisfied if the taxpayer prepays an amount equal to 100% of their "safe harbor" tax year liability. The "safe harbor" tax year is the second preceding year to the current tax year. For example, the "safe harbor" year for purposes of making the 2019 estimated prepayment is tax year 2017.

EXTENSION REQUEST DUE DATE

To request a due date extension of up to 60 days to file the annual report, you must file an extension request, REV-426, by the original report due date. However, an extension of time to file does not extend the deadline for payment of tax and an extension request must be accompanied by payment of taxes owed for the taxable year for which the extension is requested.

Mail the extension coupon separately from all other forms. A taxpayer using an electronic method to make a payment with an extension request should not submit the extension coupon. Do not use the extension coupon to remit other unpaid liabilities within the account.

PAYMENT AND MAILING INFORMATION

All payments of \$1,000 or more must be made electronically or by certified or cashier's check remitted in person or by express mail courier. Failure to make a payment by an approved method will result in the imposition of a 3 percent penalty of the tax due, up to \$500. For more information on electronic filing options, visit www.etides.state.pa.us. Payments under \$1,000 may be remitted by mail, made payable to the PA Department of Revenue.

Mail payments, extension requests and Tax Report, RCT-121C, to the following address:

PA DEPARTMENT OF REVENUE
327 WALNUT ST FL 12
PO BOX 280407
HARRISBURG PA 17128-2005

NOTE: Reports should **NOT** be mailed to the PA Department of Insurance – this will delay the processing of your report and does not satisfy the filing requirements.

CURRENT PERIOD OVERPAYMENT

If an overpayment exists on Page 1 of RCT-121C, the taxpayer must instruct the department to refund or transfer overpayment as indicated below.

REFUND

Identify the amount to refund from the current tax period overpayment. Prior to any refund, the department will offset current period liabilities and other unpaid liabilities within the account.

TRANSFER

Identify the amount to transfer from the current tax period overpayment to the next tax period for estimated tax purposes. Prior to any transfer, the department will offset current period liabilities and other unpaid liabilities within the account.

NOTE: If no option is selected, the department will automatically transfer any overpayment to the next tax year for estimated tax purposes after offsetting current period liabilities and other unpaid liabilities within the account.

A tax period overpayment summary will be mailed to the taxpayer confirming the disposition of the credit.
