## HOW LICENSES WILL BE ISSUED

The 2015 spring wild turkey lottery has been held and there are licenses remaining in 9 units (see listing of units on back). These licenses will be issued on a "first come, first served" basis as applications are received by the Department and as long as licenses last. **The Department will begin processing applications on March 18.** Applications can be sent online, mailed, or turned in to the Department's Bismarck office. Online and mailed applications will be processed before hand delivered applications each day. **(Hand delivered applications will not be processed while you wait.** Licenses will be mailed to you.) For online applying, please visit our website at [gf.nd.gov](http://gf.nd.gov).

Remaining licenses are to be considered "additional", regardless of whether or not you already have one license. By using this form, you are allowed **up to a total of two licenses** for the 2015 spring wild turkey season. You may apply for two licenses at this time but you must use a separate application for each license applied for. Applications for a first license will have no preference over applications for a second license. Should we be unable to issue you a license, you will receive a refund.
