Student Manuals for Trainers

Student Manuals are only available to persons who have attended Crane Tech Train-the-Trainer courses. Manual pricing is available on the price sheet on page 2.

- (Item # 3916) **Qualified Signal Person**
- (Item # 3917) **Qualified Rigger Level 1**
- (Item # 3920) **OSHA 29 CFR 1926 Subpart CC**

- (Item # 1117) **Mobile Crane Operator**
- (Item # 3941) **Basic Rigging**
- (Item # 3434) **Aerial Lift Operator**
- (Item # 1118) **Overhead Crane Operator**
- (Item # 3406) **Fork Lift Operator**
- (Item # 3943) **Telescopic Boom Fork Lift Operator**
- (Item # 3659) **Applied Rigging Practices**
- (Item # 3942) **Qualified Rigging Level 2**

Student Wallet Cards

Student Wallet Cards are only available to persons who have attended Crane Tech Train-the-Trainer courses. 10 cards per sheet, pre-printed with course information and space for trainer name, student name, signatures, and course date. Minimum quantity of 10 sheets, mix and match.

- (Item # 3921) **Qualified Signal Person**
- Qualified Rigger Level 1**
- Qualified Rigging Level 2**
- Mobile Crane Operator**
- Basic Rigging**

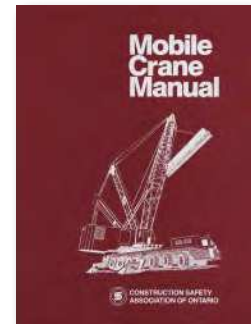

- Aerial Lift Operator**
- Overhead Crane Operator**
- Vertical Mast Fork Lift Operator**
- Telescopic Boom Fork Lift Operator**
- Applied Rigging Practices**

Publications

Mobile Crane Manual (Item # 3772)

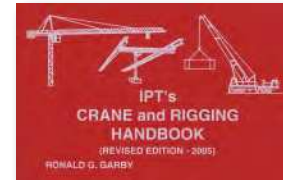

Endorsed by the world's foremost authorities, this book is consistent with most national standards. Clear, concise and extensively illustrated for practical, on-site application by all operating and supervisory personnel. Contains over 500 illustrations and 150-plus load chart exercises.

IPT's Crane and Rigging

IPT's Crane and Rigging Handbook and Training Manual are essential resources for anyone who moves heavy loads. Referred to by many as the best crane and rigging book in North America, this indispensable publication expertly explains the rigging process for classroom instruction or workplace reference. New sections include pre-lift planning, materials handling, aerial platforms and barge, ship and offshore cranes.

Handbook (Item # 3766)
Convenient Tool Box Size
(5¾" x 3¾" x 1")

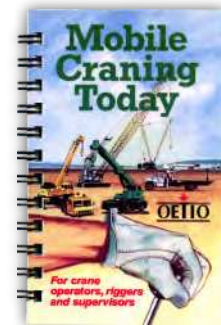

Manual (Item # 3764)
Classroom Size with
Section Questions
(8½" x 5¾")

Mobile Craning Today (Item # 3754)

The format of this manual provides a ready reference for crane operators and other personnel on the job site.

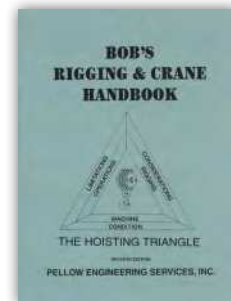

Bob's Rigging & Crane Handbook

This book contains over 270 pages of information on wire rope, rigging equipment, applications & calculations, and mobile crane operational procedures and checklists.

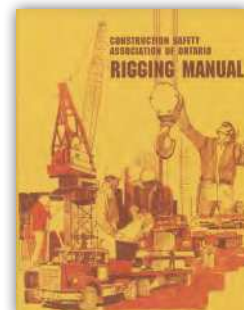

- **(Item # 3351) Pocket Size (4½" x 6")**
- **(Item # 3511) Desk Size (8½" x 11")**

Available in English & Spanish.

Rigging Manual (Item # 3779)

Used internationally as an official course text in training and upgrading programs, this book is an essential reference in preventing costly and often deadly rigging accidents.

Publications - Continued

Bob's Overhead Crane & Rigging Handbook

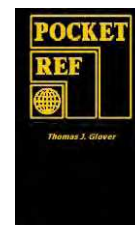

A well documented guide covering overhead cranes, detailed inspection procedures, daily checklist, operating practices, weight tables, sling angle and tensions, rigging hardware and hitches.

- (Item # 3773) Pocket Size (4½" x 6")
- (Item # 3774) Desk Size (8½" x 11")

Pocket Reference by Thomas J. Glover (Item # 3775)

This great little book is a concise all-purpose reference featuring hundreds of tables, maps, formulas, constants and conversions AND it still fits in your shirt pocket! Goes where you go!

Wire Rope Users Manual (Item # 3367)

Fourth Edition. Published by the Wire Rope Technical Board, this 160 page manual is a comprehensive and convenient source of reference data covering areas such as wire rope components; identification and construction; handling and installation; operation, inspection and maintenance; and physical properties.

Standards

- (Item # 3888) ASME B30.2 - 2011 Overhead and Gantry Cranes
- (Item # 3780) ASME B30.5 - 2011 Mobile and Locomotive Cranes
- (Item # 3782) ASME B30.9 - 2010 Slings
- (Item # 3889) ASME B30.10 - 2009 Hooks
- (Item # 3890) ASME B30.16 - 2007 Overhead Hoists
- (Item # 3891) ASME B30.17 - 2006 Overhead and Gantry Cranes
- (Item # 3892) ASME B30.20 - 2010 Below the Hook Lifting Devices
- (Item # 3893) ASME B30.22 - 2010 Articulating Boom Cranes
- (Item # 3781) ASME B30.23 - 2011 Personnel Lifting Systems
- (Item # 3783) ASME B30.26 - 2004 Rigging Hardware
- (Item # 3894) ANSI/SIA A92.3 - 2006 Manually Propelled Elevating Aerial Platforms
- (Item # 3895) ANSI/SIA A92.5 - 2006 Boom Supported Elevating Work Platforms
- (Item # 3896) ANSI/SIA A92.6 - 2006 Self-Propelled Elevating Work Platforms

Other Standards are available. Please call for more information.

Tools & Kits

Inspector's Tool Kit (Item # 1071)

Nylon belt pack contains tools and reference cards specially selected for the crane inspector. Each high quality product in the kit is hand-picked to assist the crane inspector. Each kit contains:

- 3" Stainless Steel Calipers with Sheath
- 6" Stainless Steel Rule/Depth Gauge
- Magnetic Extendable Inspection Probe
- Sheave Gauges (1/4" - 1 1/2")
- Pocket Magnifier Card
- Inspector's Flashlight
- Crane Tech Work Gloves
- Calculator/Pocket Jotter
- Inspector's Reference Card (Mobile & Overhead Crane)
- Small Screwdriver (Can be used to gently check for damaged wire rope)

Belt Pack (Item # 3507)

Nylon pack is great for carrying small inspection tools and keeps your hands free when using ladders for access. Same belt pack as packaged with the Inspector's Tool Kit above.

Stainless Steel Caliper w/ Black Vinyl Sheath (Item # 3756)

3"/90mm Instrument. The dual scale has ranges of 0 - 3" and 0 - 90mm.

Calculator/Pocket Jotter (Item # 3789)

Leather bound 4" x 6" pocket jotter great for keeping notes and jotting down inspection data. Eight-digit solar powered calculator includes percent and square root functions.

Replacement pads - quantity of 5 (Item # 3877)

Fork Wear Calipers (Item # 3508)

For inspectors checking the wear of fork lift forks this tool is invaluable. Allows inspectors to verify fork wear in accordance with ASME requirements.

Wind Meter (Item # 3526)

Measures wind speed up to 60-MPH. Critical for aerial lift operators and anyone concerned about how the wind may affect personnel lifting or load control. Includes a convenient storage case.

Tools & Kits - Continued

Professional Attaché (Item # 1255)

Crane Tech selected this rugged attache to meet the demands of the crane professional and it looks smart on any job site. Gusseted multiple compartments with zippered expansion that opens to 6 ¼" and adjustable detachable shoulder strap. This bag allows you to carry all your crane and rigging literature and manuals anywhere.

Wire Rope & Rigging Kit (Item # 3717)

If you are a crane and/or rigging trainer then you will want this valuable kit. Crane Tech selected each component so you can easily demonstrate different wire rope constructions, chain types (approved for lifting and those that are not). Kit comes with a color photograph list of all components for easy identification.

Crane Tech Work Gloves (Item # 3878)

Grain pigskin leather, general purpose work gloves with Gunn cut lined palm, leather wrap around index, tips and knuckles and leather palm Thinsulate, straight thumb, 2 ½ in. safety cuff.

Sheave Gauges

- **(Item # 3564) Metal, Group One**
Measures ¼" to 1½" Sheaves
- **(Item # 3510) Metal, Group Two**
Measures 1¼" to 2½" Sheaves. Special Order Only
- **(Item #3520) Plastic**
Measures ¼" to 1½" Sheaves with cut out notch to check rope size.

Crane Tech Aluminum Flashlight (Item # 3755)

Comes in a black case with 2 AA batteries included. Heavy-duty wrist strap, push button on/off switch.

Pocket Magnifier (Item # 3879)

This handy magnifier is flexible and about the size of a credit card. Comes in a protective pouch and easily fits into any wallet. You won't get caught not being able to read small print or checking small defects.
