Happy Thought

Healthy Exercise

by Jack Kelley

Do you exercise? Do you own some type of exercise gear? Have you been bombarded by TV ads? Most ads attempt to convince us their exerciser is the best and will help us lose weight, look and feel better, be healthier and live longer. One ad promised to make a lifestyle change in 90 days if you purchase their products.

I believe everyone needs to have a regular exercise routine that fits their physical needs and age. I lift weights and ride a stationary bike. Thus far my wife and I have ridden the bike over 5000 miles. I walk up the stairs instead of taking the elevator when possible.

The sad note is that many people become so obsessed with their exercise routine that it becomes

their number one priority, even before their family and responsibilities.

Our goal should be to strive for a balanced life, physically and mentally and spiritually. Everyone possesses a body, mind and soul. This is best explained by what a lady told me. "As I went into the YMCA, I read a sign that said - If you really want to give your heart a workout, lift someone up spiritually, physically and emotionally." The purpose of exercise is to make us physically fit to serve others and to make a difference in this world. If we do it just to look better, we fail. Let's choose to make a difference.

I promise you will feel and look better. You will have a strong, happy heart and a smile on your face to pass on to others.

The thankful receiver bears a plentiful harvest.

When a sinister person means to be your enemy, they always start by trying to become your friend.
