At Bishop Canevin we make every effort to keep tuition as low as possible. Over the past five years, increases in tuition and fees have been minimal, relative to other Catholic schools. In order to meet this objective, fundraising is an essential element (10%) of our operating budget. This very important raffle will help us to meet the necessary fundraising portion of the 2006-07 budget. In the case of no winning number sold on one of the days, we will hold a public drawing at school of all the tickets sold.
