

State Water Resources Control Board

**REQUEST FOR MAILING LIST OF CERTIFIED OPERATORS**

The Wastewater Operator Certification Program (WWOCP) may only release the names, addresses, and grades of certified operators who have authorized the WWOCP to release their personal information to owners of wastewater treatment plants for recruitment purposes. Owners should submit any requests for the mailing list using this form. If a private company has been hired by the owner and is handling recruitment, the owner should submit this form and indicate in the *Special Instructions* section the name and e-mail address or physical address where the WWOCP should send the mailing list. The electronic version of the mailing is an Excel spreadsheet. The hard copy mailing list version is formatted so it may be run through a copy machine onto Avery 5351 labels.

Please e-mail the completed form to [wwopcertprogram@waterboards.ca.gov](mailto:wwopcertprogram@waterboards.ca.gov) or fax to (916) 341-5734.
