#### **NOTE TO SCHOOL DISTRICT**

The following items stay with the building: fire extinguisher (with current inspection date), clock, screen, flag holder, and markerboards. The school district must remove any articles added to interior panels and repair holes. Replacment of worn and/or damaged siding, skirting, windows, roofing, HVAC, interior panels, markerboards, fixtures, ceiling, carpet, and rubber cove base must be done in accordance with SRC specifications. Any modifications that the district made after the building was delivered and set must be removed and repaired.
