Please find the attached form to be completed when making a referral to the Office of the Public Guardian. Please note the following general information you may find helpful in making your referral.

1. A guardianship referral is not warranted unless you feel an individual is incapacitated and unable to manage his or her own financial resources and/or is unable to make informed medical decisions. The Public Guardian's Office requires copies of recent medical records that support what conditions cause a proposed ward to be considered incompetent and /or incapacitated..
2. Family members, if appropriate, may have priority to serve as guardian in lieu of the Public Guardian. We ask that you contact responsible family members regarding the possibility of serving, prior to contacting us. Please refer family members to us for information on attending our bi-monthly training session, which outlines the responsibilities and duties of a guardian.
3. Temporary Guardianships are appropriate by Nevada Revised Statute 159 only if "the proposed ward faces a substantial and immediate risk of financial loss or physical harm or needs immediate medical attention and the proposed ward lacks capacity to respond to the risk of loss or harm or to obtain the necessary medical attention".
4. Please provide all requested documentation and any other information you may feel pertinent to our investigation. A lack of information will delay the referral process.
5. Once the referral form has been submitted to our office, please keep us informed of any significant changes (i.e. medical condition, residence, family involvement, etc.) regarding the proposed ward.

Following the evaluation, you will receive written notice of our decision. Thank you for your interest in the welfare of the proposed ward.

If you have any suspicions of elder abuse, neglect, or exploitation, please report to one of the following agencies immediately:
