INSTRUMENT & TRAY TRACKING

Tray Identification Tags

Resin bonded tags designed for tray identification. Tags may be used with bar code labels or hand written notes. All instruments remain with the sterilization basket throughout the collection, decontamination and sterilization process. X-ray detectable.

INSTRUMENT & TRAY TRACKING

Improve Tracking with Instrument Tray Labels

These labels facilitate specific markings and remarks for sterile or contaminated instrument trays. The label is suitable for sterilization and are resistant to washing and disinfection and thus can stay with a tray of instruments all the way through the decontamination process. Packaged 500 per box. Need a special design? Call for a custom label quote.

Code No	Description	Length	Width
403005	White Tray Label	6.50	4.00
403115	White Tray Label	9.50	2.00
403125	Preprinted Tray Label	9.50	2.00
403225	White Tray Label	8.50	2.50
403225 BLUE	Blue Tray Label	8.50	2.50
403225 GREEN	Green Tray Label	8.50	2.50
403225 HTK	Label with Month and Dates (500 per box/also available in green, yellow, blue, orange and pink)	8.50	2.50

BASKET TAGS

Clip-On Basket Tags

Healthmark Industries is pleased to announce the addition of ClipOn Basket Tags (3.5 x 2) to its labeling line. 8 different colors allows users to differentiate instruments sets during reprocessing. Made of tough polypropylene, these tags are able to withstand heat up to 134°C (275 F). Basket tags are compatible with steam, gas, or plasma sterilization. Available in 8 colors: orange, red, blue, yellow, green, black, pink and purple. Basket tags can be purchased in singles or packs of 25.

Code No	Description	Length	Width
02210	Clip-On Basket Tag-Orange	3.500	2.000
02211	Clip-On Basket Tag-Red	3.500	2.000
02212	Clip-On Basket Tag-Blue	3.500	2.000
02213	Clip-On Basket Tag-Yellow	3.500	2.000
02214	Clip-On Basket Tag-Green	3.500	2.000
02247	Clip-On Basket Tag-Black	3.500	2.000
02249	Clip-On Basket Tag-Pink	3.500	2.000
02250	Clip-On Basket Tag-Purple	3.500	2.000

Stainless Steel Tray Tags

Available in 3 styles, these stainless steel tags are a great alternative for identifying trays, containers and other key assets. Choose from clip-on, tie-on in round and rectangle.

Code No	Description	Length	Width
01444	Stainless Steel Tag	3.50	1.50
01452	Stainless Steel Badge	0.75	0.00
01454	Clip-on Stainless Steel	3.50	1.50

WASHER RACK LABELS

WASHER RACK LABELS

These labels are used to identify and track washer racks through the washing cycles when being tested with the TOSI™ and other ProFormance™ cleaning verification products. Like a license plate for your washer rack, each label has a unique human and machine readable alphanumeric number. The Washer Rack Label will help determine washer racks that are repeatedly not performing to cleaning standards so the issue can be properly identified. They can also be used on container systems and trays. Manufactured with anodized aluminum and robust adhesive backing, they are designed to withstand repeated washing cycles. They come in the size 2" x 0.625".

Code No	Description	Length	Width	Pkg
WRL-001	Anodized Aluminum, adhesive back label	2.000	0.625	10

STAINLESS STEEL TIME OUT SIGN

Time out! A "Surgical Pause" is the universal protocol for preventing wrong site, wrong procedure, and wrong person surgery. Healthmark's new stainless steel "Time Out" signs serve as a perfect reminder. The 1" x 5" dimensions make this sign visible to read, yet still compact and light. The sign can be sterilized individually or be included inside with a set of instruments. The 304 grade stainless is materially compatible with steam, EO & gas-plasma sterilization.

Code No.	Description
SS-TIME OUT	Stainless Steel Time Out Sign 5" x 1"

CUSTOM BASKET TAGS

Customizable Basket Tags

Customize your own basket tags to identify trays, containers and many other items. These custom labels are laser engraved into high quality anodized aluminum. They are available in a variety of colors and sizes.

ROUND TAGS ARE AVAILABLE IN THE FOLLOWING COLORS:

Code No	Color	Length	Width
20RBLU	Blue	2.000	2.000

23REGOLD	Gold	2.000	3.000
23RERED	Red	2.000	3.000

LABEL GUN SYSTEM

Hand-held Labeling Systems

Healthmark's Hand-held Labeling System has been designed specifically with Central Sterile in mind for the labeling of any items that you need to be autoclaved - from sterile linen packs to instrument trays, and peel pouches. It also has great versatility for labeling in other hospital departments such as dietary and pharmacy.

This system gives you the flexibility to print two lines of information with up to eight characters per line. The available characters include two gregorian dates for printing expiration and autoclave dating with additional bands for load and sterilizer numbers.

Gas-Plasma compatible labels are available. "S" at end of code number is the Gas-Plasma Compatible label.

NEW! Our newest premium label gun prints two-part labels designed to allow the sterilization record label to go with the patient record after use. It also allows you to print more characters on each label.

PPE Decals

What are they?

Style your Personal Protection Equipment with PPE Decals! These fun designs secure by adhesive directly to your PPE that you are wearing. Whether it is to bring attention to an important cause or showing your pride for your department, these decals are unique and stand out in the crowd. They are very easy to apply, just unpeel and the adhesive back sticks on to the material you are wearing. The “Heart of the Hospital” and the “Pink Ribbon” are the first two styles available. Check back for the newest decals that will be available soon!

Heart of the Hospital

Style your PPE with the Heart of the Hospital Decals. These stylish decals can be placed directly on the PPE you are already wearing during your shifts.

Code No	Length	Width
HRT-33	3.000	3.000
RBN-153	1.500	3.000

Pink Ribbon

Pink Ribbon Decals are also available. They are a great way to show support and raise awareness during breast cancer awareness month and Mother’s Day. They soon will be available in other colors.

Custom Vinyl & Magnetic Labels

CUSTOM VINYL LABELS

Create any label specialized for your departments needs. These custom vinyl labels are durable enough to even place into a washer (not steam sterilizable).

CUSTOM LABELS

Design Your Own Labels

With a few easy steps, you can design a label of your own.

- Step 1 - Pick the Adhesive.
- Step 2 - Choose from these standard Label Sizes (call for custom sizes).
- Step 3 - Select from 24 Material Colors.
- Step 4 - Select from 24 Ink Colors.
- Step 5 - Sketch your layout within the appropriate label size (below).
- Step 6 - Fax this form to 586-774-6473. Indicate the quantity desired and voila, you have your own label!

INSTA GRIDS

Insta Grids are grids that are ready to use in seconds! They are available for use on a magnetic board or peel & stick version for use on any whiteboard. Just stick on the board creating an instant grid. Each square is perfectly shaped and presents a professional appearance. Insta Grids can be customized to any application including creating larger rectangles by cutting grid cells to size. Connect grids together to add columns and rows as needed. Insta Grids are available in six colors. Consider ordering different colors to color code your data. One kit contains six 15" x 23" grid panels to complete a 4' x 4' grid board.

DESIGN YOUR OWN WALL GRAPHIC SIGN

With a few easy steps, you can design a sign of your own.

- Step 1 - Choose a high resolution image and size
- Step 2 - Select your own quote bubble comments
- Step 3 - Talk to a Customer Service Representative for a custom quote for your wall graphic

Code No.	Description
WG-PPESEC	PPE Security Sign
WG-WAIT	Smiley Face Decontam Reminder
WG-PPEPHARM	PPE Hazardous Drugs

TRACE MARKS

TRACE MARKS

Create a place for everything and put everything in its place. Trace Marks are the quick, easy and professional looking method for identifying where instruments and other items should be replaced after use. Missing items can also be quickly recognized and found. Use in carts, on peg boards, in maintenance areas, work stations or as part of a quality inspection process. Trace Marks are incredibly easy to use. Just trace out the instrument, cut-out your pattern and the adhere in place. Available in six different colors, which you can use to color code applications.

Code No.	Color	Width	Length
403	Black	12.25	180.00
404	White	12.25	180.00
405	Green	12.25	180.00
406	Red	12.25	180.00
407	Orange	12.25	180.00
408	Blue	12.25	180.00
