

Help secure the future of Barbershop Singing

Make a Donation Now!

The British Association of Barbershop Singers was established in 1974. Since then it has grown in stature and has become an established and accomplished group of clubs and quartets, with vocal training and music education at its heart.

Barbershop singing gives so much pleasure to young and old, and yet it retains a sense of fun and more importantly friendship. Having been around for 33 years, our aim is for the association and barbershop harmony, to be around in another 30 years!

Donations and contributions to BABS Harmony Foundation are used to provide grants to help people of all ages to develop their skills so as to promote music education and the understanding of singing harmony in the barbershop style. You can help the future by making the decision now to invest in the future. This can be done in two ways:

You can make a donation, large or small, at any time to a Named Fund, for the specific purpose of that fund or for inclusion in the general Keep Harmony Alive Fund.

You can leave money specifically to BABS in your Will, which, under current rules, would be exempt from Inheritance Tax.

BABS is a registered educational charity. Appointed Trustees manage and invest the funds to ensure that the interest in barbershop singing is maintained into the future. Every pound donated goes straight to the charity, if it's Gift Aid we get additional funds from the government and all the Trustees are volunteers.

Legacy

Making a Will ensures that the estate you have built up in life goes to the people you most care about. Your family will usually come first and after that, perhaps your favourite charities. By making a Will you exercise your free choice on who is to benefit and by how much.

Leaving money to BABS will enable the work on the development and education of barbershop singing to be continued into the future.
