Polytheism and Society at Athens - Robert Parker - Google Books

This book is the first attempt that has ever been made to give a comprehensive account of the religious life of ancient **Athens**. The city's many festivals are discussed in detail, with attention to recent anthropological theory; so too, for instance, are the cults of households and of smaller ...

Introduction : Polytheism and Society at Athens

Preview. This book is a kind of long commentary on the religious themes in Aristophanes and Theophrastus and the rest in ancient **Athens**. It is about the pervasiveness and the taken-for-grantedness of religion in Attic life.
