CAMP MED

“Fun with Health Careers”

The Franklin-Essex-Hamilton BOCES, the Adirondack Medical Center, and the Alice Hyde Medical Center are planning to offer a day camp for incoming 8th and 9th graders, to experience the possibilities of health careers. The camp will be held at the Alice Hyde Medical Center from Monday, July 25, 2011 – Friday, July 29, 2011. Another session of Camp Med will be offered at the Adirondack Medical Center from Monday, August 15, 2011 – Friday, August 19, 2011. It will operate from 9:00 a.m. - 12:00 p.m. all five days.

If you enjoy math and science and may be interested in a health career, we would like to invite you to come and have fun while learning CPR, Basic First-Aid, Vital Signs, Bandaging, and more.

We will introduce you to the field of health care. Health professionals from primary care medicine, alternative medicine, EMS awareness and different fields of therapy are scheduled to speak about and discuss with you their chosen career. You will have the opportunity to tour the Medical Center to see how each field of expertise interacts with each other to give patients the best care possible.

Snacks will be provided each day.

This camp is being provided to students at no cost.
