### President Report

I must first thank the board for the help and assistance you all gave Christine while I was away in Melbourne. It was very much appreciated.

So far this month we have had three new members inducted, I wish them well with their time in Lions. I hope and trust they have been thoroughly briefed on their expected commitment and possible duties in the club as this is a very important part of membership. I applaud Michael for his diligence and determination in finding new members -well done Michael.

I am always in awe of the commitment of a few of the experienced brigade when it comes to Van use. Gary, Bill, Barry, Trevor and Ian are very often on deck when the vans go out at all hours of the morning and when they are brought back in. The Festival of Surf was as usual a great success and that is largely because Gary gives up an extraordinary amount of time to get it right all the while having to deal with Bill every morning. The monies received from this worthy event will go to the needy in our community.

Last Monday night I was called ,by the Sunshine Coast Youth Partnership Inc., about helping with a sausage sizzle at the J. Noosa Heads pulled out because of transport difficulties, and her next call was to Peregrine with President Michele past them onto us because it was in Noosa area. As mentioned at the last meeting we took on the job. Stephen, Paul and I turned up at 4.30pm. and cooked the 40 hamburgers and about 40 sausages along with the 8 onions they had. We were done and dusted, cleaned up and gone by 7.00pm. The people from the Youth Partnership returned the banemarie that night and it is likely we may get the gig again on May 18. It is good for our club as it lends to younger involvement. At the next one I think we should have some hand outs about Lions Youth activities.

At the time of writing this we still do not have a Bulletin Editor from the floor, Peter will fill in for the next two months with the guidance of Allan who has done a magnificent job over many years. Thank you Allan and I know you are not lost entirely from the Bulletin production and editing – we sure appreciate your help and guidance. We are looking for someone to take over this enjoyable role- hands up please.

Also I have received a number of club surveys – thank you, but it is not too late to do your bit and give valuable feedback to me and the next Club Board. Please hand them in by the next Tuesday meeting.

I have a request to put to the Finance committee.

As my legacy I would like to have scholarships at the Primary Schools that we work with.

The annual scholarships would be for the Year 6 students / 1 male and 1 female, who in the eyes of the school principle would benefit more from a bursary, with appropriate certificate. The students do not have to be the top kids in school but more the ones who will do the most with it.

I want to direct it towards uniforms, books, tutors etc.

I would like it to be called the Tewanin Noosa Lions Club School Bursary.

I attended the Zone meeting last Sunday and the talk was mainly about membership, retention and LEHP (Lions Eye Health Program). I would dearly love our club to be involved in LEHP as I have seen the good it does in the local community and I would like to take it on as a committee, project with me as the chair. We are after all “knights of the blind”. I will be calling for assistance with planning and implementation of it soon by forming a team.

That's all for now.  
President Chris

## Allan Jolly hangs up the editor role for our Bulletin

Allan has advised that he would like to have a rest from producing the Pelican Brief as Editor. With regret the the Board has accepted his decision, but would like to pay tribute to the work that Allan and no doubt , Margaret in the background has put in over the years. A club bulletin is a very important factor in remembering what has passed under the bridge, and with the internet we can review many years of Allan's fine work. A great legacy.

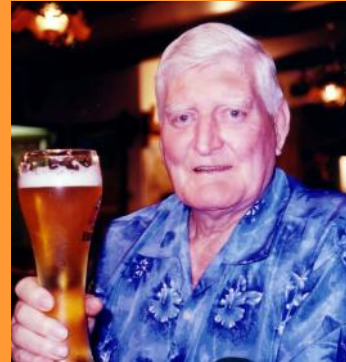

Allan has been a staunch and very passionate Lion in his

time accepting a number of roles in the Tewantin Noosa Lions Club. He is also happy to barrack for NZ sporting teams.

He is a Melvin Jones Award winner, a 40 year Lion member, a Life Member of TNLC, and a JD Richardson award member– a truly Distinguished Lion in our Club. In accepting this decision, the club has asked him to continue in the background with some guidance and editorial pieces. We feel sure he will attack these activities with the same determination and passion as his Editor's role. Well done

Allan and thanks for the time and effort you have put in the past– we look forward to some more of that in the future.

Cheers Allan.

### Australian Lions Foundations Information

Have you sometimes wondered what the ALF, LEHP, LCMF, mean. Well they are foundations run by the Lions Organisation. Each year many Lions Foundations work hard to deliver funds and comfort to people throughout Australia. The Bulletin will try to summarise their work and make it relevant to the new Lions Members education of the good work that is undertaken.

#### Remember our club's PLAN FOR MARCH MEMBERSHIP DRIVE

All Club members were asked to record 4 people who may be interested in assisting the community through the Lions organization.

RESULTS TO DATE: 15 enquiries, 3 from the newspaper advertisement.

Out of that 6 joined and 4 still looking with more current members adding to their lists.

The Membership chairman conducted a review of members who have not been actively involved in club activities or attended meetings for the year to date and 2 resigned.

There will be further alteration to club members with transfers interstate and overseas.

Currently there is information out with an application form to 3 prospective new members.

## Anzac Day 2013

Anzac Day commemorations around the country seem to go from strength to strength each year. Tewantin on April 25 Dawn and Morning Parades was no different to the growth seen in the region. The Lions were there with their van giving sausages and sandwiches plus tea and coffee to the community. Many said that it was the biggest Dawn Service they have ever seen.. Donations from the community amounted to over \$1,400 which of course will be donated to benefit the local community. Great work Tewantin Noosa Lions Club.

The jute box financed by our club is now functioning at the house.

Please consider the following and contact either Peter Schofield, David Watts or Ian McKay if you would like to join one of the committees..
