What makes LawDepot.com different from other online legal services providers?

Interview process—Easy-to-understand language, instructions and examples. Avoids the errors that can occur with other “fill in the blank”-style templates.

High quality and completely customizable—LawDepot.com’s document-creation tools have been developed by an experienced team of in-house lawyers and can be easily customized for your patrons’ specific needs.

Form preview—LawDepot.com contracts can be previewed prior to purchase and all questions are shown upfront.

Ease of use—LawDepot.com provides comprehensive product FAQs.
