Section C-5B Conclave Registration Packet

C-5B

“Remember
the Past,
Look to the
Future”

My Brothers in the Wimacttendienk,

This is a year of great significance within our Order. This year we are celebrating one hundred years as an organization set out to strengthen our bonds of brotherhood by cheerfully serving others. This is a year that will be engrained in the memories of the Order and its members for all of time.

To adequately celebrate this centennial year there are many different events for you and your lodges to participate in. The largest of these celebrations is the week long National Order of the Arrow Conference on the beautiful campus of Michigan State University. It will be an unforgettable event, but before that each region will be hosting ArrowTour. It is a six long week event that travels around the Region to different council camps and public locations for scouts and to participate in various activities.

Finally on a more local level we have our Lodge celebrations and Section Conclaves. Our Section Conclave is going to be a spectacular celebration. It will be a time to reconnect with and meet new arrowmen from across our Section. As well you will be able to participate in fun activities, sit in on high quality trainings, and take part in some friendly lodge competitions.

Whether your interests are in ceremonies and dance, or mountain biking and climbing, we have something for you. As well, you don't want to forget that attending Section Conclave offers other opportunities as well. Conclave allows those who cannot attend NOAC participate in a centennial celebration, allows all Arrowmen to complete one of the requirements for the Arrowmen Service Award, and fulfills the requirement for youth Arrowmen who applied for the C-5B OA High Adventure Scholarship. All together it will be an event that you don't want to miss.

Yours in Brotherhood,

Location- Camp Arrowhead, 4202 State Highway DD, Marshfield, Missouri 65706

Theme- The theme for this year's conclave is "Remember the Past, Look to the Future". This conclave will be a great time to take a look at where our lodges have come from, and what the future holds for us. As well, it will be a fantastic time for all Arrowmen of C-5B to celebrate the Centennial in a fun "Back to the Future" themed weekend.

Camping- Each participant will be responsible for providing their own tents. We will be camping by lodge so your contingent members can coordinate accordingly. If any member of your contingent will have special housing needs please complete the *Housing Needs* form and send it in with your registration.

Registration Fee- The contingent registration fee for this year's conclave is \$40. This fee goes towards the facility costs, food costs, program costs, and a commemorative patch that each participant will take home with them at the end of the weekend.

Check-In- Each lodge contingent will need to provide a roster and health form for each participant upon arrival. Each individual (non-contingent) registrant will need to check-in upon arrival with their health form. It is important that every member has their medical form available upon check-in.

Dinner on Friday and lunch on Sunday will not be provided. If any contingent members have special dietary requests, they will need to fill out the *Dietary Needs Request* form. It is important we get these requests as soon as possible so we are able to make arrangements with the Wha-Sha-She Lodge who will be cooking for the event.

Physical Forms- Each delegate will need to provide two copies of their physical form to their contingent leader. One will be turned in to the section at check-in and the other should be kept by the contingent leader. A minimum of a class II physical is required for this event.
