Please read and initial each of the following:

- The consignment fee for saddles priced at \$500 or more is 25%, saddles priced at \$499 or less is 40%.
- Saddles that are accepted for consignment must be clean and conditioned. If requested, we can condition the saddle for a fee, payable when the saddle is left. Equus Now! employees will examine the saddle to spot any major defects which might make the saddle unsellable. These will be discussed with the consignee.
- Equus Now! is not responsible for any damages incurred to the saddle after the initial inspection.**
- By consigning your saddle with Equus Now!, you agree to leave your saddle at Equus Now! for 90 days. If the saddle is not sold within a reasonable length of time, consignee may call, giving their name, address, and consignment item # to establish a lower selling price. Periodically, Equus Now! employees review all consignment saddles left for longer than 90 days and may notify consignee to pick up the saddle if it has not been sold.
- Consignee understands that during business hours Equus Now! reserves the right to send the saddle out on trial for a period of seven days. If shipped out of the area, the trial period is extended to 14 days to cover shipping times.
