Annapolis Area Christian School believes that true service must to be *sacrificial, relational, redemptive, and ongoing*. Describe how your Service Project will meet all of these criteria:

**Sacrificial:**

---

---

---

---

---

**Relational:**

---

---

**Parent/Guardian Consent:**

I have read the completed Service Project Proposal, and I understand the work that will be required for my son/daughter/ward to complete it. I understand that the Service Project is an integral element of the Senior Practicum, and that failure to satisfactorily complete the Project will result in failure of the Senior Practicum and all resulting consequences (which may include the inability to participate in commencement exercises and failure to receive a diploma).
