APPLICATION FOR SUPPORTIVE SERVICES GRANT

We are required to notify you that this information collection is in accordance with the clearance requirements of Section 3507 of the Paperwork Reduction Act of 1995. The public reporting burden for this collection of information is estimated to average 35 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. Respondents should be aware that notwithstanding any other provision of law, no person will be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. This collection of information is intended to assist the SSVF Program Office to determine eligibility to receive supportive services grants under the SSVF Program and to rate and rank these applications. Response to this survey is voluntary and failure to participate will have no adverse effect on benefits to which you might otherwise be entitled.

Background: This form is to be completed by eligible applicants for supportive services grants under VA's SSVF Program. VA will use the collected information to evaluate and select recipients for supportive services grants. Applicants may be asked to provide additional supporting evidence or to quantify details during the review process.

Definitions and SSVF Program Information: Definitions and SSVF Program information can be found in the regulations (38 CFR Part 62) and the Notice of Fund Availability (NOFA) under which you are submitting this application. Both documents are included as attachments to this application package and are posted on the SSVF Program web page (<http://www.va.gov/homeless/SSVF.asp>). Please note that to be eligible for a grant under the SSVF Program, the applicant must be either a private nonprofit organization or a consumer cooperative. See 38 CFR 62.2 and 38 CFR 62.11 for definitions of these and other terms contained throughout the application.

Submission: The application must be submitted in accordance with the NOFA. The NOFA specifies the number of copies and format in which the application must be submitted. Only timely and complete applications will be considered for funding; applications will not be reviewed if incomplete. To be considered timely, the number of required copies of the application must be received at the address and by the time and date specified in the NOFA. Applications received after that time and date will not be accepted even if postmarked by the deadline date. Following the application deadline, applicants will be notified that their applications have been received. To be considered complete, all items requested in this grant application must arrive as a single application package. Materials arriving separately will not be considered and may result in the application being rejected or not funded.

Documentation and Public Access Requirements: VA will ensure that documentation and other information regarding each application submitted are sufficient to indicate the basis upon which assistance was provided or denied. This material will be made available for public inspection for a five- year period beginning not less than 30 days after the grant award. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552).

Warning: It is a crime to knowingly make false statements to a Federal agency. Penalties upon conviction can include a fine and imprisonment. For details see 18 U.S.C. 1001. Misrepresentation of material facts may also be the basis for denial of grant assistance by VA.

For Further Information: Information on application workshops can be found on VA's SSVF Program web page at: <http://www.va.gov/homeless/SSVF.asp>. If you have any questions regarding the SSVF Program, please contact the SSVF Program Office via e-mail at SSVF@va.gov or via phone at 1-877- 737-0111 (this is a toll-free number).

Please attach responses to Sections A-F. Total narrative for these sections cannot exceed 8 pages. Responses must be typed in 12 point, Times New Roman font. All pages must have 1 inch margins. Attached responses must include question number and heading, for example the response to the first question would begin with the heading:

SECTION A:

a) Describe your organizational experience and effectiveness in working with individuals and families who are homeless and at imminent risk of homelessness, noting experience working with Veterans. If you plan on using subcontractors, detail their experience in the work that they will be subcontracted to perform.

SECTION A: Background, Qualifications, Experience, & Past Performance of Applicant and Any Identified Subcontractors

In scoring the application, VA will award up to 35 points based on the applicant's responses to questions contained in this section.

a) Describe your organizational experience and effectiveness in working with individuals and families who are homeless and at imminent risk of homelessness, noting experience working with Veterans. If you plan on using subcontractors, detail their experience in the work that they will be subcontracted to perform.

b) What staff do you intend to hire, indicating their background and expected caseload? Provide resumes for key personnel (including case managers and other direct service staff) that will be involved in operating the proposed program in Exhibit I. If the majority of the staff for the propose program will need to be hired, provide minimum hiring criteria in Exhibit I.

SECTION B: Program Concept & Supportive Services Plan

In scoring the application, VA will award up to 25 points based on the applicant's responses to questions contained in this section. Applicants should reference the requirements set forth in the NOFA in preparing these responses. Applicants are required to use eligibility/screening tool attached in Exhibit II.

a) Estimate the need for SSVF services. Include the basis for this estimate, highlighting areas of unmet need (for instance, overall numbers of homeless or at-risk Veteran families might be relatively low, but there may be few available services to meet these needs). How many household participants do you expect to serve and how do you expect to engage them? The screening tool provided in Exhibit II identifies eligibility criteria for program participation. For those Veteran families who are eligible, using Stage 2 of Exhibit II, what threshold (point score) do you plan to use for targeting Category 1 (prevention) participants?

b) How will you coordinate services with the VA and other providers in the Continuum(s) of Care where you plan to deliver services, describing how all of the required services will be delivered? Describe which optional services you also plan to provide (such as temporary financial assistance).

c) Describe your timeline for implementing services.

SECTION C: Quality Assurance & Evaluation Plan

In scoring the application, VA will award up to 15 points based on the applicant's responses to questions contained in this section.

a) Programs are expected to place over 80 percent of category 2 and 3 participants in permanent housing and maintain over 90 percent of category 1 participants in their current housing (this may be adjusted up or down based on complexity). It is expected that once placed, participants will be able to sustain themselves in housing. How will you monitor your ability to meet this goal as well as achieving the goal of preventing homelessness?

- b) How will you monitor work, including the work of any subcontractor? If you identify problems with services delivered by you or your subcontractor, what process is in place to create remediation plans?

SECTION D: Financial Capability & Plan

Exhibit III below must also be provided in the Microsoft Excel template. In scoring the application, VA will award up to 15 points based on the applicant's responses to questions contained in this section.

Using the attached template, provide a detailed one-year program budget that is itemized on a monthly basis. Include a detailed description of each of the line items contained in the budget template and the underlying assumptions associated with each line item amount.
- b) Specify all sources of funds to be used to operate the proposed program. Identify each source in a separate line item and the status of the funding, whether the funding is requested, committed, or received.
