

Project AWARE Supply Checklist

PLEASE MARK ALL YOUR GEAR

Volunteer gear inevitably ends up in the AWARE Lost & Found. It is strongly recommended that you label all of your gear - if your name is on it we can return it to you. Colored duct tape and/or sharpie markers are all you need to make sure your gear finds its way home.

AWARE SWAP SHOP

Do you have any unwanted (but still useable) outdoor equipment you'd like to recycle? Would you like to help enhance the outdoor experiences of others by giving your unwanted equipment to them? If so, bring it with you on Project AWARE and we can make it available to those who might be able to get a few more years of enjoyment out of whatever it is you might have.
