Mr. Frank C. Bergman
St. Clair County of Illinois
10 Public Square
Suite 580-B
Belleville, IL 62220

RE: GASB Calculations for the St. Clair Postretirement Medical Plan

Dear Betty:

On behalf of Aon Hewitt, thank you for the opportunity to assist St. Clair County with your GASB calculations for the postretirement plan. As always, we would like to confirm in writing our understanding and agreement with you about the specifics of our assignment, and ask you to sign and return this letter signed via email to my attention by February 28, 2015.

Aon encourages St. Clair County's active participation in this project. Receipt of relatively clean data is essential. We will not audit the data submitted but will check it for reasonability.

Fees and Professional Arrangements

Aon's fee for this project is \$16,000 for the GASB 45 calculations. This fee includes the following services:

- 1) Collect and review plan provisions
- 2) Collect census information
- 3) Collect asset information
- 4) Perform actuarial valuation with 2014 and 2015 expense
- 5) Assistance with preparing 12/31/2014 disclosure information under GASB OPEB Statements
- 6) Calculate a 10-Year projection of the County's expected cash cost under the plan
- 7) Evaluate any potential impact of health care reform on the postretirement plan

For any services not described above in this Letter of Engagement, or should additional work be identified which represents a separate and distinct project, Aon Consulting will work within the structure of a separate proposal, fee estimate and (ultimately) Letter of Engagement. Otherwise, we will work on a time and expense basis, applying the hourly rate of the individual involved to the time required to properly perform the necessary tasks. Invoices for work on these separate projects will be sent as work as completed. In no event, however, will any work either beyond the scope of this Letter of Engagement or relative to any separate project be initiated without prior approval of St. Clair County.

Effective Dates

This project is effective immediately and expires December 31, 2015. Any work done after December 31, 2015, will be based upon a separate agreement.

Data

We will need participant data prior to beginning work on this project. A data request will be furnished separately.

Timing

The GASB report will be completed within 6 weeks after receipt of the data requested.

Since the basis of an open and productive relationship depends on these initial agreements, please read this letter and attachments carefully and bring any questions you might have to my attention. Please also review the attached General Terms and Conditions Exhibit. If you agree to the scope of services and related fees outlined in this letter, please sign a copy of this letter in the space provided below and return to me via email by February 28, 2015.

We appreciate the opportunity to assist you with this work. Please let me know if you have any questions.
