Please take time to discuss an emergency dismissal plan with your child in case we have to close school early and unexpectedly. School closings are announced in the following ways: (1) **Connect-ED**, emergency notification system (2) The SASD Web site (www.soudertonsd.org) and the SASD e-mail notification system (sign-up required), (3) Radio stations KYW-1060 AM for the Souderton Area School District closing number 309, and WNPV-1440 AM. (4) Television channels 3, 6, 10, 29, 69, and SATV (Comcast channel 28, Verizon channel 46). If school is closed due to inclement weather, all community activities scheduled for the evening in the school buildings will also be cancelled.

AFTER SCHOOL PROGRAM: The Kids Kare after school program will be opened during an emergency dismissal due to weather. However, in the case of a non-weather related emergency, Kids Kare students will be bussed to the Indian Valley YMCA. Some parents have found it useful to review the emergency plan with their child whenever inclement weather is forecast. We will make every precaution to get your child home quickly and safely. Crossing guards will be notified and safety patrol members will be on duty. Thank you for your cooperation. Hopefully we will not need to implement these plans.

If your child normally walks or rides the bus, he/she will go home as usual on the day of an emergency early dismissal.

Please write instructions for what your child should do if school closes unexpectedly and no one is at home. **Be sure your child knows how to carry out this plan if you are not at home.** Teachers will remind students to follow the plan you outline here. Be specific in terms of which neighbors' homes to go to, whom to call, and how to access a locked house.

If you would like to authorize another adult(s), such as a neighbor or relative, to be able to sign your student out from school during a non-crisis situation, please list their full names, addresses, and phone numbers below. Please return this complete form to the school's Main Office as soon as possible.

Listed below are adults whom I authorize to remove my child from school in the event of a non-lock down emergency (The school will not release the child to anyone other than a parent or the persons listed below):

Dear Parent or Guardian:

Students' safety is of paramount concern for the staff, faculty, and administration in Souderton Area School District. To this end the District has established strong policies regarding the possession, use, or transfer of a weapon or a "look alike" weapon in school or on school property. Because these policies have very serious consequences for students who violate them, I am seeking your assistance. I am asking you, the parent or guardian, to make sure your student clearly understands what constitutes a violation of the policy and what will happen if a violation occurs.

Information regarding weapons violations is found in the student handbook under the "Disciplinary Structure – Student Misconduct/Response Guidelines" chart, or by obtaining copies of the actual district policies governing this issue. Copies of policies [#218](#) and [#218.1](#) can be obtained by contacting the school principal where your child attends school. These policies can also be found on the district website at www.soudertonsd.org.

The intention of this letter is not to intimidate students, but rather emphasize the seriousness of this issue and to provide fair warning regarding the negative consequences that will result for students if they are responsible for a violation. Please make sure that your child knows there is no allowance for a student's immaturity or momentary lapse of judgment with this issue.

It is our earnest desire to provide a safe learning environment for students and at the same time have students avoid the "weapons violation" pitfall. If you have any questions regarding this letter do not hesitate to contact me.

Thank you.

Respectfully,

Frank T. Gallagher
Assistant Superintendent

PLEASE SIGN AND RETURN THIS FORM

Yes, I have read the policies and procedures listed in the **Student Discipline and Disciplinary Procedures and Responses** for School Board Policy [#218](#) and [#218.1](#) relating to weapons.

ATTENDANCE REGULATIONS

A. Student Attendance:

The Board of the School Directors of the Souderton Area School District, consistent with Pennsylvania law and regulations, will not condone or permit absences from school for an unlawful reason. Responsibility toward school personnel, success and proper study habits are established during the elementary and continue through the middle school, junior high and high school years. For this reason attendance is expected and necessary for all grade levels. Therefore, it is the responsibility of every student enrolled in the public schools of the SASD to be in daily attendance **except for the following reasons:**

1. **Personal illness**
2. **Quarantine of the individual or home**
3. **Death in the immediate family** (five days maximum)
4. **Exceptional urgent reasons or safety reasons** – must pertain to the individual student as determined by the principal or designee.
5. **Religious Holiday** – Upon written parental request, pupils may be excused for religious holidays observed by Bona Fide religious groups.
6. **Attendance of classes for religious instruction** – Upon prior written parental request, a public school pupil shall be excused from school in order to attend classes for religious instruction pursuant to Section 1546 of the Public School Code of 1988. The release form shall be limited to the total of not more than thirty-six (36) hours per school year. A pupil's absence from school for religious holidays or for religious instruction shall be recorded as an excused absence. A written confirmation must be provided to the public school that the student in fact participated in the religious instruction on the dates/times requested.
7. **Suspension from school**
8. **Required court appearance**
9. In the case of an **exceptional student**, where absence is caused by or directly related to the student's exceptionality.
10. **Health Care** – Upon written parental request, a pupil may be excused during school hours for the purpose of obtaining professional health care or therapy service only if the following requirements are met:
 - (a) The health or therapeutic services are to be rendered by Commonwealth-licensed practitioners.
 - (b) It is not practicable or possible for the pupil to receive the service outside of school hours.
 - (c) The time of necessary absence from school involves a minimum of interference with the pupil's regular program of study.

11. **Non-Immunized Children** – No child may be admitted or permitted to attend the public schools unless the child has received immunizations as required by the Department of Health at 28 Pa Code Chapter 23, Subchapter C (relating to immunization) or has received from the School District’s Superintendent a medical or religious exemption from immunization under 28 Pa Code Section 23.84 (relating to exemptions for immunizations). A child who has not received all doses of the required immunizations or has not been exempted for immunization, but who has received at least one (1) dose of each of the required immunizations, may be provisionally admitted and attend public school for a period of up to eight (8) months. Provisional admission or continued attendance shall be conditioned upon parents’ or guardians’ submission to the Superintendent of a plan for the pupil’s completion of the required immunization doses. The plan shall be revised by the school district at least every sixty (60) calendar days. If after eight (8) months the child has not received all immunizations, the child thereafter may **not** be further permitted to or be permitted attend the public schools until all doses have been received. Absences resulting from a parent’s or guardian’s failure to obtain proper immunization for his or her child will be deemed unlawful and subject to corresponding punitive measures.
12. **Tutorial work** – Upon written parental request, and with approval of the principal, a pupil may be excused during school hours for the purpose of receiving tutorial instruction in a field not offered in the district’s curricula only if the following requirements are met:
 - a. The excusal does not preclude satisfactory completion of the pupil’s regular program of study.
 - b. The qualifications of the instructor are approved by the district’s Superintendent.
 - c. Any additional conditions for excusal that are deemed reasonable within the sound discretion of the Superintendent.
13. Those students in an approved program for **Homebound Instruction**.
14. Those children who are less than eight (8) years of age or older than seventeen (17) years of age are **not subject to the compulsory attendance requirements**.
15. All **educational trips** with a family member or guardian must have prior approval of the Building Principal. Approval may be granted for requests for educational trips up to a *maximum of ten (10) school days per year*. Exceptions will be reviewed by the Superintendent on a case-by-case basis. Educational trips may not be approved if they conflict with finals, achievement tests, or other school events that the Superintendent deems attendance necessary. Only students in good academic and attendance standing will have trips/travel approved by the administration.

For students who are of compulsory age, three (3) days of unlawful absence will necessitate a warning notice to be sent in accordance with Section 1333 of the School Code. Any subsequent unlawful absences may result in the filing of a citation in district court. Compulsory school age shall mean the period of a child's life from the time the child's parents elect to have the child enter school, which shall be no later than eight (8) years, until the age of seventeen (17) years.

B. Absence Verification

When a student returns to school after a legal absence, a written excuse must be provided by a parent or guardian. This excuse must be for one of the permissible reasons for absence stated in Part A in order for the absence to be excused. Unless a written excuse is presented within three (3) school days after the student returns to school, the absence will be counted as unlawful. A doctor's excuse may be requested for any absence for a student who is excessively absent from school.

C. Procedures For Fulfilling Academic Requirements Due to Absence from School

Any student who is absent from school/classes for any reason must make up all missed work in a timely manner. Work may be permitted to be made up during classes for extenuating circumstances with the consent of the teacher and principal.

D. Homebound Instruction

Students who anticipate missing more than ten (10) consecutive school days due to physical, mental or other urgent reasons may be eligible for homebound instruction. Parents/guardians must present a written request to the building administrator for homebound instruction. For a physical illness, a physician's letter is necessary to substantiate the need for homebound instruction. Likewise for a mental health issue a licensed psychiatrist or psychologist diagnosis and recommendation for homebound is necessary for approval.

E. School-Sponsored Activities

In order to participate in school-sponsored activity, the student must be in attendance at school on the day of the activity or, if applicable, the day before a holiday if the activity falls either on the holiday or the day following. (Written requests for exceptions to this procedure shall be presented to the building principal or designee prior to the scheduled activity for review on a case-by-case basis.)

F. Dismissal During School Hours

Attempts should be made to schedule medical and dental appointments at times other than during the school day. A student who needs to be excused for part of the school day must present a written request from his/her parent/guardian to the appropriate administrator. Parents/guardians may be asked to have medical or dental appointments verified by the attending doctor. A student who has an excused medical or dental appointment during school hours is to attend school until the time of dismissal and to return to school after the appointment unless medial reasons prevent the student from returning to school.

G. Lateness for School (Tardiness)

Any child who arrives after the scheduled starting time of school will be considered tardy. The student must report to the office. At that time, the student will be signed in at the office, and a class admission slip will be given to the pupil so that he/she may be admitted into the classroom. Consistent lateness to school because of personal illness may necessitate providing a medical excuse.

Tardiness to school for any reason other than those stated in the school policy will be marked unexcused. Total minutes tardy will be recorded and dealt with according to the policy.

Following the third unexcused tardy, disciplinary action may be taken at the discretion of the building principal or designee. Unexcused tardies and unexcused early dismissals may accumulate towards unlawful absence.

A student's late arrival to school will be excused for the following reasons only:

1. Personal illness.
2. Death in the immediate family.
3. Exceptional urgent or safety reasons – must pertain to the individual student as determined by the principal or designee.
4. Religious holiday/event.
5. Required court attendance.
6. In the case of an exceptional student, where tardiness is caused by or directly related to student's exceptionality.

A request for excused lateness to school for a student requires a written note signed by parent/guardian that must be presented the next school day attended.
