

EARLY COLLEGE APPLICATION FORM

**FOR USE BY HIGH SCHOOL STUDENTS WHO INTEND TO ENROLL IN CCV'S
EARLY COLLEGE PROGRAM FOR HIGH SCHOOL SENIORS**

APPLICATION DEADLINE: AUGUST 1

As a Vermont high school senior, you can apply to CCV's Early College Program which allows you to spend your final year of high school at CCV earning college credits that help you graduate and get a jump on your college degree, tuition free (not including textbooks costs and applicable fees).

Students in this program enroll full time at any of CCV's 12 locations by taking 4 - 5 college level classes (at least 12 - 15 credits) during the fall and spring of their senior year of high school for a total of 8 - 10 classes (24 - 30 credits).

Here's how to apply to the Early College program:

- If you have never attended CCV, apply for admission first (<https://apply.ccv.edu/highschool>). You do not need to complete this step if you are a current CCV dual enrollment student.
- Complete Accuplacer assessments in Reading Comprehension, Sentence Skills, Arithmetic and Elementary Algebra at your nearest CCV location. Official SAT or ACT scores may be submitted for review instead. (<http://ccv.edu/assessments>)
- Complete this form and send it along with the following additional items to Jessa Karki, Assistant Director of Admissions, CCV-Winooski, 1 Abenaki Way, Winooski, VT 05404 by August 1st:
 - a letter of reference from a school counselor or teacher regarding your readiness for fulltime college coursework,
 - the Early College assurance form signed by your high school principal (see page 3),
 - an unopened official copy of your high school transcript, and
 - an essay using the following prompt: Entering the Early College program at CCV involves withdrawing from your high school and taking a fulltime schedule of college courses. In an essay of no more than two pages, explain how you know you are ready for this challenge and how you plan to be successful if accepted into the program.

Additional steps may be required.

SIGNATURE AGREEMENT AND AUTHORIZATION FOR RELEASE OF INFORMATION (REQUIRED)

In accordance with the Family Rights and Privacy Act of 1974, as amended, this form constitutes written consent from the student to disclose personally identifiable information from his/her education record to the high school listed above and the Vermont Student Assistance Corporation (VSAC).

By submitting this application form, I hereby grant permission to the Community College of Vermont's Early College program to include my data (including enrollment, attendance and performance) as part of any aggregate report necessary for the continued funding and success of the program. I also understand that information related to my enrollment, attendance and performance in my courses will be shared with the principal or designee at my high school. An official college transcript will be issued to my high school upon completion of courses for the purpose of awarding credit. This authorization will remain in effect while I am a student or participant in CCV's Early College program.

By submitting this application form, I understand that I am applying to CCV's Early College Program. If accepted, I will be required to enroll as a full-time student for the fall and spring semester of my senior year of high school. There will be no charge for the cost of my tuition but I am responsible for textbook costs and all applicable fees associated with my enrollment.

DEADLINE: AUGUST 1

I, _____
High School Principal Name

from _____
High School Name

permit _____, _____
Student Name *Date of Birth*

to participate in the Community College of Vermont's Early College Program for rising high school seniors.

In permitting this student to participate in the Early College program (EC), the principal from this high school agrees to:

1. Work with the student and the college to assure that courses registered by the EC student comply with his/her high school graduation requirements;
2. Review any changes that are made to the EC student's course selection to ensure that these changes also comply with his/her high school graduation requirements;
3. Credits awarded shall be based on performance and not solely on Carnegie units; provided, however, that unless the school district determines otherwise, a three-credit postsecondary course shall be presumed to equal one-half of a Carnegie unit;
4. In the event that a student does not successfully complete the Early College Program, re-engage the student in the Personalized Learning Plan process in order to determine the most effective pathway to graduation;
5. Provide college application guidance for the EC student using same principles as students enrolled at the high school;
6. Welcome the EC student to participate in any graduation procedures (e.g., walking across the graduation stage) with his/her former high school class and allow continued participation in extracurricular activities.
