Teacher candidates currently enrolled in the Bachelor of Education program may apply for awards, scholarships or prizes listed on the TEO website (teach.educ.ubc.ca > students > awards). While individual TCs may nominate themselves for an award, it is the faculty who will make decisions about recommending TCs for an award or scholarship. Late applications will not be considered.

Teacher Candidates who are selected for an award or scholarship will be informed directly by the Awards Office prior to graduation. No information about final award nominations is available from TEO at any time.
