Unit # \_\_\_\_\_

Name (please print) \_\_\_\_\_

I authorize Aeries Mini-Storage to automatically debit the monthly rent for the unit listed above from my debit or credit card that I have provided to them. In order to automatically move my unit or unit's PAID TO DATE and discourage me from becoming delinquent. The monthly rent due for this unit will be charged on an appropriate due date no later than the fifth day of the month. Late fees, administrative fees, and other fees will not be automatically charged to my account, and therefore I am responsible for paying these. I understand that I will be notified in writing of any changes to rent amounts for my unit, and the amount debited monthly from my account will reflect this change.

This authorization will remain in effect until Aeries Mini-Storage receives notification of its termination from me in writing. Aeries Mini-Storage reserves the right to, upon advance written notification to Aeries Mini-Storage; terminate my participation in this payment option. If an automatic debit is returned for any reason including insufficient funds or closed or unauthorized accounts, Aeries Mini-Storage will not be able to process payment. I understand that I may be subject to a \$25.00 charge if payment is rejected, reversed, or refused by my financial institution.
