Best Western Premier Hotel International [4 stars]

Husova street 16

Luxurious hotel located at the foot of the Spilberk Castle. An important functionalist building from 1962 and listed as a cultural heritage site, it was influenced by both the pre-war Bauhaus style and the Brazilian architecture of Oscar Niemeyer. Especially noteworthy is the hotel interior which is decorated with works of art from the Brussels movement, the only avant garde art school of the latter half of the 20th century in which Czech artists played a major international role. Price covers buffet breakfast, use of wireless internet connection Wi-Fi, whirlpools, saunas and steam in the hotel fitness center. A minute walk for a conference venue [it isn't a joke].

General information

Airport transport

Brno lies in the central part of Europe and within its two hundred-kilometre radius there are three important European capitals: Prague (airport Prague – Ruzyně, PRG), Vienna (airport Vienna Intl., VIE) and Bratislava (airport Bratislava Ivanka, BTS). The airport in Brno (airport Brno Tuřany, BRQ) situated 7.5 km from the city centre serves regular flights.

Transport to Brno

Brno is one of the most important Central-European rail junctions, as it is situated on the international rail route. There are several bus and train connections to Prague, Vienna and Bratislava each day. The best public transport connection is Prague – Brno (every thirty minutes in daytime).

For bus info see www.studentagency.cz (buses from all mentioned cities, in Prague and Vienna they offer also buses from the airport. You can buy a ticket via the web page very easy), for train see www.cd.cz (Czech Railways). Notice that you can be asked to pay an extra fee for a seat (around 8 Eur) at the frontier if you use a train from Vienna.
