I/We agree to participate in WIT's Adopt-A-Family Program, and will adhere to the following guidelines:

1. I/We understand that the family/families to be adopted will remain anonymous to me/us, except for first names.
2. I/We understand that each family's gift card(s) choice list is a general guideline, and that there is no obligation to provide a gift card from every store on the list. There is also a suggested minimum amount to spend of \$25.00.

3. I/We understand that WIT is not able to accept cash donations to give to families.
4. If I/we want WIT to note the value of the donation in its acknowledgment letter, I/we will attach a note to the delivery addressed to Irene L. Brantley, listing the donation's cash value. I/we understand that gifts are not tax-deductible because they are being made directly to the family, and not to a non-profit organization.
5. I/we agree to deliver or mail donations to Women In Transition's office at 21 S. 12th Street 6th floor any time during business hours (Monday - Friday: 9am-6pm) **but no later than December 11, 2009.**

I/We understand that Women In Transition is responsible for the following:

1. Women In Transition will choose a family (or families) for each donor based on the following criteria:
 - The mother has consistently discussed with her counselor a diminished capacity to provide basics for her children.
 - The mother is not actively addicted to alcohol or drugs.
 - The abuser is not in the household, or the family will not be in any danger from her partner if the family receives donations.
2. Women In Transition will provide families with the donor's first name only.
3. If I am signing this agreement on behalf of a company, school, religious or civic organization, or other group then (please check one):
 - WIT has permission to give the name of our group to the family.
 - WIT does not have permission to give the name of our group to the family.
