

## INSIDER'S GUIDE TO HIGH ROCK

For incoming High Rock 6<sup>th</sup> graders

**Instructors: Chris Dancy, High Rock Science Teacher (all sections); with Steve Guerriero, High Rock Social Studies Teacher (5/18, 5/25, 6/1, 6/8 and 6/15); and Jonathan Glover, High Rock Math Teacher (7/1, 7/2, 7/3 and 7/6)**

This fun class is designed as an orientation for rising sixth graders coming to High Rock. Students will learn how the 6<sup>th</sup> grade schedule works and what a typical day at High Rock will be like. A scavenger hunt will help the students to learn their way around their new school. The class is also an opportunity to make some new friends before sixth grade even begins.

There will be plenty of chances for participants to ask anything and everything they want to know about 6th grade. There is even time to work on their summer reading assignments.

Sixth grade teachers, Mr. Dancy, Mr. Guerriero and Mr. Glover guarantee this will be an unforgettable experience! **If you're feeling excited or anxious about coming to middle school, then this class is for you.** Spots fill up fast, so please register early.
