

# Whole Earth and Watershed Festival Volunteer Application

Saturday April 27<sup>th</sup> 10am to 4pm

Volunteer Training: Wednesday April 27<sup>th</sup> 5pm @ City Hall in front of the fountain

- You will be given a T-shirt and a lanyard to identify you as Event Staff; if you are roaming the festival you may receive questions from event attendees. If you are able to answer their questions, great! If not, direct them to an Information Booth
- If you are guiding parking you must wear a vest! Parking vests will be provided.
- Before you leave at the end of your shift please check in at your designated Volunteer Info Booth (located at the Cypress Avenue side of City Hall) with the Volunteer Coordinator. This ensures our shift changes go smoothly!
- If you need something to be communicated you will be given cell phone #'s to call.
- We will provide Gatorade and snacks throughout the day for our volunteers at all Info Booths.

## Volunteer Attire

We will be outside and want our volunteers to stay aware and protected from the heat.

You will need:

- Comfy Shoes
- Sunscreen
- Maybe a Hat?

***We have tried to break positions into 2 hour segments. We appreciate any amount of time you can volunteer beyond that!***
