

Haz Mat - Decontamination

COURSE DESCRIPTION	This course focuses on training HAZMAT emergency responders to perform decontamination operations at a HAZMAT incident. The competencies taught through classroom and hands-on training, in the procedures and personal protective equipment needed, will provide the student with the skills to participate as a decontamination team member for your agency or company. This one-day course is a cost-effective solution to providing adequate numbers of HAZMAT Decon-Team personnel.
TARGET GROUP	All first responders
COURSE PREREQUISITES	Haz Mat FRO (First Responder Operational)
DATES AND TIMES	April 30 (Sat), 2011 (8:30 am to 5:00 pm)
